Interior design legend Paul Fortune opens his design portfolio and shares his inimitable worldview in this monograph-cum-memoir. Arriving in

Los Angeles from London during the 1970s, Paul Fortune gradually made his way as a graphic artist, art director of music videos, and even nightclub owner. But with the renovation of his own now legendary Laurel Canyon house in 1978, Fortune's career as an interior designer was born. Fortune Design Studio, based in Los Angeles, has been operating since 1982, enjoying the patronage of discerning clients worldwide, whose ranks include Marc Jacobs, Sofia Coppola, and David Fincher. Exhibiting a distinct style widely recognized for its integration of refinement with lived-in comfort, Fortune's designs are uniquely geared toward accommodating the history and material integrity of each chosen

venture. In *Notes on Décor, Etc.*, Fortune--a natural raconteur--not only documents his favorite of these timelessly elegant projects but also his life and times as a designer, an expatriate, and an Angeleno in a one-of-a-kind chronicle that *Architectural Digest*, in its 2018 AD 100 list, describes as, "A tell-all monograph-cum-memoir detailing significant projects and stories from Fortune's peregrinations through the beau monde."

*Tales From A Broad* The Fran Lebowitz Reader

The Freebooters is a lively, character-driven graphic narrative set in a fantastic, ancient milieu that superficially bears resemblance to a world that will be familiar to longtime

Windsor-Smith fans who remember his work on another famous warrior. This volume collects the entirety of Windsor-Smith's "The Freebooter" stories from the acclaimed BWS: Storyteller comic book series from the early 1990s, including a full-length chapter from the unpublished tenth issue, plus more than 50 pages of new story. The Freebooters is amongst the most raucous and literate comics of Windsor-Smith's career, the culmination of a lifetime of experience and knowledge, approaching his comics with a seriousness of purpose while never losing his unmistakable sense of humor. A ripping good yarn!

What Hemingway's *A Moveable Feast* did for Paris in the 1920s, this charming yet undeceivable memoir does for Greenwich Village in the late 1940s. In 1946, Anatole Broyard was a dapper, earnest, fledgling avant-gardist, intoxicated by books, sex, and the neighborhood that offered both in such abundance. Stylishly written, mercurially witty, imbued with insights that are both affectionate and astringent, this memoir offers an indelible portrait of a lost bohemia. We see Broyard setting up his used bookstore on Cornelia Street—indulging in a dream that was for him as romantic as “living

off the land or sailing around the world” while exercising his libido with a protegee of Anais Nin and taking courses at the New School, where he deliberates on “the new trends in art, sex, and psychosis.” Along the way he encounters Delmore Schwartz, Caitlin and Dylan Thomas, William Gaddis, and other writers at the start of their careers. Written with insight and mercurial wit, *Kafka Was the Rage* elegantly captures a moment and place and pays homage to a lost bohemia as it was experienced by a young writer eager to find not only his voice but also his place in a very special part of the world.

“To call Sue Mengers a biography of Hollywood’s first ‘character’ is an understatement, unless the word is written in all-caps, followed by an exclamation point and modified by an expletive. And based on Brian Kellow’s assessment in his thoroughly researched *Can I Go Now?* even that description may be playing down her personality a bit.” –Jen Chaney, *The Washington Post* • A NY Times Culture Bestseller • An Entertainment Weekly Best Pop Culture Book of 2015 • A Booklist Top Ten Arts Book of 2015 • A lively and colorful biography of Hollywood’s first superagent—one of the most outrageous showbiz characters of the 1960s and 1970s whose clients included Barbra Streisand, Ryan O’Neal, Faye Dunaway, Michael Caine, and Candice Bergen Before Sue Mengers hit the scene in the mid-1960s, talent agents remained quietly in the background. But staying in the background was not possible for Mengers. Irrepressible and loaded with chutzpah, she became a driving force of Creative Management Associates (which later became ICM)

handling the era's preeminent stars. A true original with a gift for making the biggest stars in Hollywood listen to hard truths about their careers and personal lives, Mengers became a force to be reckoned with. Her salesmanship never stopped. In 1979, she was on a plane that was commandeered by a hijacker, who wanted Charlton Heston to deliver a message on television. Mengers was incensed, wondering why the hijacker wanted Heston, when she could get him Barbra Streisand. Acclaimed biographer Brian Kellow spins an irresistible tale, exhaustively researched and filled with anecdotes about and interviews more than two hundred show-business luminaries. A riveting biography of a powerful woman that charts show business as it evolved from New York City in the 1950s through Hollywood in the early 1980s, Can I Go Now? will mesmerize anyone who loves cinema's most fruitful period.
