This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

[Siren Classic ManLove: Alternative, Contemporary, MM, HEA] Jared Masters and Stephen Howard have been best friends for more than thirty years. When Stephen discovers his feelings toward Jared has turned into something more, he agrees to his other best friend, Dexter's plan to see if Jared feels the same way he does by going out on dates with other

people. When Jared knows about Stephen's dates, he assumes his fury stems from the possibility of him losing his best friend. Stephen is a great guy. Jared believes Stephen deserves someone just as amazing, so he embarks on a half-baked plan to act as Stephen's matchmaker. He will get Stephen someone wonderful even if the thought of it is pissing him off, but he first needs to know what Stephen looks for in a potential life partner. To do that, he brings Stephen out on dates. Stephen misunderstands Jared's intention, assuming they're dating for real. Will Jared and Stephen eventually work things out and get their happily ever after? Friendship in an Age of Economics Oxford University Press - Children

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother. Leave time for wonder. Walt Whitman's "When I Heard the Learn'd Astronomer" is an enduring celebration of the imagination. Here, Whitman's wise words are beautifully recast by New York Times #1 best-selling illustrator Loren Long to tell the story of a boy's fascination with the heavens. Toy rocket in hand, the boy finds himself in a crowded, stuffy lecture hall. At first he is amazed by the charts and the figures. But when he finds himself overwhelmed by the pontifications of an academic, he retreats to the great outdoors and does something as universal as the stars themselves... he dreams.

A Penguin Classic In Nobel Prize winner John Steinbeck's beautifully rendered depictions of small yet fateful moments that transform ordinary lives, these twelve early stories introduce both the subject and style of artistic expression that recur in the most important works of his career. Each of these self-contained stories is linked to the others by the presence of the Munroes, a family whose misguided behavior and lack of sensitivity precipitate disasters and tragedies. As the individual dramas unfold, Steinbeck reveals the self-deceptions, intellectual limitations, and emotional vulnerabilities that shape the characters' reactions and gradually erode the harmony and dreams that once formed the foundation of the community. This edition includes an introduction and notes by James Nagel. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

 From Aristotle to contemporary soap operas, friendship has always been a subject of fascination. But scholarly investigation of the broad social relevance of friendship has been neglected. Rethinking Friendship describes the varied nature of personal relationships today, and also locates friendship in contemporary debates about individualization and the supposed "collapse of community." Exploring friendships with partners and family as well as "friends," the book reveals ways in which friends and friendlike ties are an important and unacknowledged source of social glue. Using a rigorous analysis of in-depth interviews, the authors develop a set of innovative concepts--friendship repertoires (the range of friendships people have); friendship modes (the way people make and maintain friendships over time); and patterns of suffusion (the extent to which boundaries between friends and family become blurred). These concepts form the basis of a typology of personal communities that vary in the roles played by friends, family, partners, and neighbors. Combining scholarly depth and rich description, this absorbing and accessible book will appeal to all those interested in informal social relationships, including students of methodology and policymakers. With its challenge to pessimistic commentators, Rethinking Friendship urges us to resist sweeping generalizations and to acknowledge the sheer diversity of social life today.

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film Moonrise Kingdom to Penguin's own bestsellers Committed and Rules of Civility. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's Pride and Prejudice, a 'B' for Charlotte Br ö nte's Jane Eyre, and a 'C' for Willa Cather's My Á ntonia. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. S is for Steinbeck. Unburdened by the material necessities of the more fortunate, the denizens of Cannery Row discover rewards unknown in more traditional society. Henry the painter sorts through junk lots for pieces of wood to incorporate into the boat he is building, while the girls from Dora Flood ' s bordello venture out now and then to enjoy a bit of sunshine. Lee Chong stocks his grocery with almost anything a man could want, and Doc, a young marine biologist who ministers to sick puppies and unhappy souls, unexpectedly finds true love. Cannery Row is just a few blocks long, but the story it harbors is suffused with warmth, understanding, and a great fund of human values.
