Justice corresponds with the idea of perfect obligation: it involves the idea of a personal right. In cases of justice, the person who has been wronged has had his or her moral right impinged upon; it is thus his or her moral right to seek restitution. Commentary . Here Mill responds to the claim that utilitarianism is opposed to justice. [Justice | Michael J. Sandel - Harvard University](#)

these ideas points to a different way of thinking about justice. The standard case for unfettered markets rests on two claims—one about welfare, the other about freedom. First, markets promote the welfare of society as a whole by providing incentives for people to work hard supplying the goods that other people want.
