Microbiology & Nutrition

I utilized the practice exam and used the recommended text with study guide but the 8th ed. I also purchased sg 101 but with having only a few weeks to study didn't get to fully utilize it. I don't know what edition there using but I already had this one. I found the actual exam to be easier than the practice exam.

Yeah NLN does NOT have a study guide for those areas. I think they should develop some

study guides like HESI and ATI does. Your best bet is to either go with a study guide for microbiology and nutrition or the NCLEX exam.

Personally I think the individual study guides will be the most helpful but you will need the NCLEX study guide eventually.
