Microsoft Lync Server 2010 Group Chat Administration Guide

The first time you start Microsoft Lync or MOC after installing the Adobe Connect Add-in for Microsoft Lync and MOC and restarting your system, the add-in checks the Microsoft Lync/MOC and Adobe Connect preferences for an existing Adobe Connect server URL, login and password. If this information is not found, it must be configured to use the add-in. 1. Start Microsoft Lync or MOC as the case may be. The Adobe Connect Add-in Preferences window appears.
