 section that details the At Last! A Beginner's Guide
 features of your microwave to Newborn Baby

Technology You've programmed your DVR, you've installed a wireless Internet connection, you can even check Facebook on your cell phone. But none of this experience will prepare you for the world's biggest technological marvel: a newborn baby. Through step-by-step instructions and helpful schematic diagrams, *The Baby Owner's Manual* explores hundreds of frequently asked questions: What's the best way to swaddle a baby? How can I make my newborn sleep through the night? When should I bring the baby to a doctor for servicing? Whatever your concerns, you'll find the answers here—courtesy of celebrated pediatrician Dr. Louis Borgenicht and his son, Joe Borgenicht. Together, they provide plenty of useful

advice for anyone who wants to learn the basics of childcare.
