Dedicated puzzle enthusiasts see it too often: ordinary crosswords with ho-hum clues like "Toledo's lake" for ERIE. That means they need to spice up their solving with the pure puzzling pleasure of cryptic crosswords. Here, each clue offers double the dose of wordplay: to find the answer, they'll have to do a little extra deciphering--recognizing a homophone, for example, or working out a charade. Once fans try cryptics, they'll never return to regular crosswords again

A general perception exists that ancient Indian literature on economic matters is fatalistic and an admixture of sacred and secular thoughts. Economic Sutra provides a comprehensive perspective on the elements of Indian economic thought leading up to and after the Arthashastra. Economic Sutra is a perception-correction initiative to distil the Indian mind in the realm of economic thoughts and behaviour as brought out by the ancient Indian authors. It highlights the broader spread of economic ideas both prior to and sometime after Kautilya, giving insights into the purpose, actions and vision of our forefathers.
