a middle-aged South Korean professor, also named Yi, whose father abandoned his family and defected to the North at the outbreak of the Korean War. Yet before a rendezvous on the Chinese border can be arranged, his father dies. Yi then learns for the first time that he has a half-brother, whom he chooses to meet instead. As the two confront their shared legacy, their encounter takes a surprising turn. Meeting with My Brother represents the political and psychological complexity of Koreans on both sides of the border, offering a complex yet poignant perspective on the divisions between the two countries.
