#1 New York Times bestselling author Nora Roberts has brought romantic suspense to an electrifying new level with her In Death series. Now, in this thrilling novella she takes Lieutenant Eve Dallas off-planet, where she just might lose the man she loves... Eve is resigned to the fact that she ' s been ordered to give a seminar at a police conference—and that she ' ll have to leave Earth to do it. But her dedication to her job only goes so far. And when a legendary commander sets his sights on taking her husband Roarke down, Eve will do

everything in her power to stop him.

Naked in Death Penguin
J. D. Robb's #1 New York Times bestselling In Death series explodes with intrigue, passion, and suspense in this novella about the darkest night of Lieutenant Eve Dallas's life—when a killer comes to call... Eve's name has made a Christmas list, but it's not for being naughty or nice. It's for putting a serial killer behind bars. Now the escaped madman has her in his sights. With her husband, Roarke, at her

side, Eve must stop the man from exacting his bloody vengeance—or die trying... *Midnight in Death* previously appeared in *Silent Night Time of Death* Penguin
In the third novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas uncovers a world where technology can create beauty and youth, but passion and greed can destroy them... She was one of the most sought after women in the world. A top model who would stop at nothing to get what she wanted—even another woman ' s man. And now she was dead, the victim of a brutal murder. Police Lieutenant Eve

Dallas put her life on the line to take the case when suspicion fell on her best friend, the other woman in the fatal love triangle. Beneath the façade of glamour, Eve found that the world of high fashion thrived on an all-consuming obsession for youth and fame. One that led from the runway to the dark underworld of New York City where drugs could be found to fulfill any desire—for a price...

Conclave CRC Press
Meticulously researched and beautifully written, the true story of a Japanese American family that found itself on opposite sides during World War II—an epic tale of family, separation, divided loyalties, love, reconciliation, loss, and redemption—and a riveting chronicle of U.S.–Japan relations and the Japanese experience in America After their father's death, Harry, Frank, and Pierce Fukuhara—all

born and raised in the Pacific Northwest—moved to Hiroshima, their mother's ancestral home. Eager to go back to America, Harry returned in the late 1930s. Then came Pearl Harbor. Harry was sent to an internment camp until a call came for Japanese translators and he dutifully volunteered to serve his country. Back in Hiroshima, his brothers Frank and Pierce became soldiers in the Japanese Imperial Army. As the war raged on, Harry, one of the finest bilingual interpreters in the United States Army, island-hopped across the Pacific,

moving ever closer to the enemy—and to his younger brothers. But before the Fukuharas would have to face each other in battle, the U.S. detonated the atomic bomb over Hiroshima, gravely injuring tens of thousands of civilians, including members of their family. Alternating between the American and Japanese perspectives, *Midnight in Broad Daylight* captures the uncertainty and intensity of those charged with the fighting as well as the deteriorating home front of Hiroshima—as never told before in English—and provides a fresh

look at the dropping of the first atomic bomb. Intimate and evocative, it is an indelible portrait of a resilient family, a scathing examination of racism and xenophobia, an homage to the tremendous Japanese American contribution to the American war effort, and an invaluable addition to the historical record of this extraordinary time.

Promises in Death Penguin Dark, mystifying and powerful forces are at work in these two superb J. D. Robb short stories. *Ritual in Death* When a naked, knife-wielding man who thinks he

has killed someone crashes a glamorous ball she's attending, Lieutenant Eve Dallas is almost relieved. The clues point towards ritual murder, but Eve knows there is nothing supernatural about a deadly lust for power . . . Set between *Salvation in Death* and *Promises in Death*. Missing in *Death Aboard* the Staten Island ferry, a tourist sees something she shouldn't have - soon no one can find her. But if she didn't jump, and she's not on board, where is she? Lieutenant Eve Dallas and her team know that all

the answers lie in just what she was seen on that ferry . . . Set between *Kindred in Death* and *Fantasy in Death*. *Visions in Death* Penguin Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling *In Death* series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is

a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband,

Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare...

Featuring Lieutenant Eve Dallas, *Remember When* blends present-day romance and futuristic suspense in a thrilling two-part novel that combines the incomparable talents of two #1 New York Times bestselling authors: Nora Roberts and her alter ego J. D. Robb. Antiques dealer Laine Tavish is an ordinary woman living an ordinary life. At least, that's what everyone in the small town of Angel's Gap, Maryland, thinks. They have no idea that she used to be Elaine O'Hara, the daughter of a notorious con man... Laine's past catches up with her when one of Big Jack's associates turns up in her shop with a cryptic warning

and is then run down in the street. Now the next target of a ruthless killer, Laine teams up with sexy PI Max Gannon to find out who's chasing her, and why. The answer lies in a hidden fortune that will change not only Laine's life, but also the lives of future generations—including New York City detective Lieutenant Eve Dallas. In a future where crime meets cutting-edge technology, Eve is used to traveling in the shadowy corners outside the law. She will attempt to track down the treasure Laine and Max sought once and for all—and stop the danger and death that has surrounded it for decades...

Secrets in Death

RosettaBooks

#1 New York Times bestselling author J. D. Robb presents three In Death stories that spotlight Lieutenant Eve Dallas doing what she does best: solving crime with skill, integrity, and passion—together in one volume for the first time. ETERNITY IN DEATH A seductive killer is luring in victims with a promise of the impossible-immortality. Eve Dallas must strip away the fantasy to catch the coldhearted madman. RITUAL IN DEATH Eve is plunged into the violent

aftermath of a ritualistic murder-and into the mind of an alleged witness who can't remember a thing to save his life. MISSING IN DEATH When a woman disappears from a New York City ferry, it's a case that only Eve Dallas can solve—because the woman didn't jump, and yet she's not on board. *Chaos in Death/Possession in Death* Hachette UK “Everything a really great music memoir should be.” —Colin Meloy The Pogues injected the fury of punk into Irish folk music and gave the world the troubled, iconic, darkly romantic

songwriter Shane MacGowan. Here Comes Everybody is a memoir written by founding member and accordion player James Fearnley, drawn from his personal experiences and the series of journals and correspondence he kept throughout the band's career. Fearnley describes the coalescence of a disparate collection of vagabonds living in the squats of London's Kings Cross, with, at its center, the charismatic MacGowan and his idea of turning Irish traditional music on its head. With beauty, lyricism, and great candor, Fearnley tells the story of how the band watched helplessly as their singer descended into a dark and

isolated world of drugs and drink, and sets forth the increasingly desperate measures they were forced to take. James Fearnley was born in 1954 in Worsley, Manchester. He played guitar in various bands, including The Nips with Shane MacGowan, before becoming the accordion player in The Pogues. Fearnley continues to tour with the band and lives in Los Angeles.

Scott, New York Times Book Review, cover review Following on the heels of his New York Times bestselling novel *Telegraph Avenue*, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that work to destroy us. In 1989, fresh from the publication of his first novel, *The Mysteries of Pittsburgh*, Michael Chabon traveled to his mother's home in Oakland, California, to visit his terminally ill grandfather. *Moonglow* loosened by powerful painkillers, memory stirred by the imminence of death, Chabon's grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel *Moonglow*, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. *Moonglow* unfolds as the deathbed confession of a man the narrator refers to only as "my grandfather." It is a tale

of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator’s grandfather and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de

force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York’s Wallkill prison, from the heyday of the space program to the twilight of the “American Century,” the novel revisits an entire era through a single life and collapses a lifetime into a single week. A lie that tells the truth, a work of fictional nonfiction, an autobiography wrapped in a novel disguised as

a memoir, *Moonglow* is Chabon at his most moving and inventive.

Love, Lucas Penguin #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn’t know what to believe. Heaven is For Real details what Colton saw and his family’s journey towards accepting their young son had visited the afterlife. “Do you remember

the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he’d never met. Colton also astonished his parents with

descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how “really, really big” God is, and how much God loves us How Jesus called Todd, Colton’s father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton’s

uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: “A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe.” —Ron Hall, coauthor of Same Kind of Different as Me

Glory in Death Penguin

We're facing an information overload. With the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political opinions, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us consume a more balanced, healthy diet of information, Brett McCracken has created the "Wisdom Pyramid." Inspired by the food pyramid model, the Wisdom Pyramid challenges us to increase our intake of enduring, trustworthy sources (like the

Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when so much of our daily media diet is toxic and making us spiritually sick, *The Wisdom Pyramid* suggests that we become healthy and wise when we reorient our lives around God—the foundation of truth and the eternal source of wisdom.
