exposed to a cocktail of chemicals and illegal drugs that could drive anyone into temporary insanity—if not kill them outright. But that doesn't explain who would unleash such horror—or why. Eve's husband, Roarke, happens to own the bar, but he's convinced the attack wasn't directed at him. It's bigger than that. And if Eve can't figure it out fast, it could happen again, anytime, anywhere. Because it's airborne...
