Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

A New York Times Best Book of the Year A Time Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year 2020 Andrew Carnegie Medals for Excellence Winner From journalist Adam Higginbotham, the New York Times bestselling "account that reads almost like the script for a movie" (The Wall Street Journal)—a powerful investigation into Chernobyl and how propaganda, secrecy, and myth have obscured the true story of one of the history's worst nuclear disasters. Early in the morning of April 26, 1986, Reactor Number Four of the Chernobyl Atomic Energy Station exploded, triggering one of the twentieth century's greatest disasters. In the thirty years since then, Chernobyl has become lodged in the collective nightmares of the world: shorthand for the spectral horrors of radiation poisoning, for a dangerous technology slipping its leash, for ecological fragility, and for what can happen when a dishonest and careless state endangers its citizens and the entire world. But the real story of the accident, clouded from the beginning by secrecy, propaganda, and misinformation, has long remained in dispute. Drawing on hundreds of hours of interviews conducted over the course of more than ten years, as well as letters, unpublished memoirs, and documents from recently-declassified archives, Adam Higginbotham brings the disaster to life through the eyes of the men and women who witnessed it firsthand. The result is a "riveting, deeply reported reconstruction" (Los Angeles Times) and a definitive account of an event that changed history: a story that is more complex, more human, and more terrifying than the Soviet myth. "The most complete and compelling history yet" (The Christian Science Monitor), Higginbotham's "superb, enthralling, and necessarily terrifying...extraordinary" (The New York Times) book is an indelible portrait of the lessons learned when mankind seeks to bend the natural world to his will—lessons which, in the face of climate change and other threats, remain not just vital but necessary.

The author describes the threats and emotional abuse she endured from white student and adults along with her fears of endangering her family as she committed to being one of the first African American students to integrate Central High School in Little Rock, Arkansas in 1957.

Saturday Review of Literature Simon & Schuster

Celebrating the dark origins of our most American music, Country reveals a wild shadowland of history that encompasses blackface minstrels and yodeling cowboys; honky-tonk hell and rockabilly heaven; medieval myth and musical miscegenation; sex, drugs, murder; and rays of fierce illumination on Elvis, Jerry Lee Lewis, and others, famous and forgotten, whose demonology is America's own. Profusely and superbly illustrated, Country stands as one of the most brilliant explorations of American musical culture ever written.

A key comic writer of the past three decades has created his most heartfelt and hard-hitting book. Father Joe is Tony Hendra ' s inspiring true story of finding faith, friendship, and family through the decades-long influence of a surpassingly wise Benedictine monk named Father Joseph Warrillow. Like everything human, it started with sex. In 1955, fourteen-year-old Tony found himself entangled with a married Catholic woman. In Cold War England, where Catholicism was the subject of news stories and Graham Greene bestsellers, Tony was whisked off by the woman ' s husband to see a priest and be saved. Yet what he found was a far cry from the priests he ' d known at Catholic school, where boys were beaten with belts or set upon by dogs. Instead, he met Father Joe, a gentle, stammering, ungainly Benedictine who never used the words " wrong " or " guilt, " who believed that God was in everyone and that " the only sin was selfishness. " During the next forty years, as his life and career drastically ebbed and flowed, Tony discovered that his visits to Father Joe remained the one constant in his life—the relationship that, in the most serious sense, saved it. From the fifties and his adolescent desire to join an abbey himself; to the sixties, when attending Cambridge and seeing the satire of Beyond the Fringe convinced him to change the world with laughter, not prayer; to the seventies and successful stints as an original editor of National Lampoon and a writer of Lemmings, the off-Broadway smash that introduced John Belushi and Chevy Chase; to professional disaster after co-creating the legendary English series Spitting Image; from drinking to drugs, from a failed first marriage to a successful second and the miracle of parenthood—the years only deepened Tony ' s need for the wisdom of his other and more real father, creating a bond that could not be broken, even by death. A startling departure for this acclaimed satirist, Father Joe is a sincere account of how Tony Hendra learned to love. It ' s the story of a whole generation looking for a way back from mockery and irony, looking for its own Father Joe, and a testament to one of the most charismatic mentors in modern literature.

Midnight in Chernobyl Simon and Schuster

The topic of trauma has been covered in many books, and there are many publications covering the use of SFBT in different settings and with varied client populations. However, the convergence of these topics has, to date, been covered only minutely. Solution-Focused Brief Therapy with Clients Managing Trauma is a comprehensive overview of how Solution Focused Brief Therapy (SFBT) can be used as a treatment approach for working with clients managing various forms of trauma. It includes an overview of SFBT's basic tenets, a description of the current research supporting SFBT as an evidence-based practice, and a comparison of how SFBT clinicians may approach trauma cases differently than clinicians from other therapeutic approaches. The bulk of the text uniquely includes chapters contributed by skilled SFBT clinicians, with differing clinical expertise, sharing their knowledge and describing their strength-based, resiliency focus of applying SFBT in different traumatic circumstances. Practitioners and even Master's/doctoral students will find this text invaluable in learning how to best help traumatized clients develop a positive future and move toward healing and health.

In this new adult romance, when a star baseball player and the girl next door collide, sparks fly. As king of baseball in the small town of Lewis Creek, Eric Perry can have any girl he wants and win every game he plays. But when a fight lands him in jail, he's only got one more strike before his baseball career is over for good. His only chance for redemption? The girl next door, Bri Johnson. Bri hasn't talked to Eric in months- for starters, she's been too busy dealing with her jerk of an ex-boyfriend, not to mention the fact that Eric's been preoccupied trying to drink every keg in the country dry. But when he needs a way to stay on the team, she proposes a plan: if he helps her out with community service, he can stay on the team. At first it's a nightmare-Eric and Bri stopped being friends years ago, surely that was for a good reason, right? But as volunteering turns to bonding over old memories of first kisses under the stars, they start to have trouble remembering what pushed them apart. In a town as small as Lewis Creek, nothing stays secret for long and their friendship and romance might mean bad news. But in this final, tumultuous spring before graduation, Eric and Bri are about to realize that nobody's perfect alone, but they might just be perfect together.
