Children can discover the world around them using the sense of taste. This book investigates how our sense of taste works, what we use to taste, what we can taste, how our sense of taste helps us, and how we can help take care of our sense of taste. Chapters beginning with questions help children focus on key ideas and helps them learn to form their own questions. A picture glossary visually reinforces and clarifies new words.

I decided to write this book after I had driven across the country from New York to California and back. After seeing all the landmarks that I had been dying to see, I was inspired to share my great experience in book form and in a fun way with children who might become inspired to have the same fun educational experience. I was also driven to make sure that it was completed by the time my son was old enough to read, so I could read him a book that his own father had created.
