What Men Live By, and Other Tales Leo Tolstoy - "What Men Live By and Other Tales" compiles tales that handle intricate philosophical issues in a simple and engaging way to incite the mind. In What Men Live By you'll encounter a kind and humble shoemaker, Simon, who, one day, goes out to buy sheepskins to sew a winter coat for his wife and himself to share. Unable to collect the full amount, he only receives twenty Kopeks to buy the skins. Simon is disheartened and spends the twenty Kopeks on Vodka before heading back home... This story, along with other subtle, beautiful, and timeless tales, will immerse you in the world of Russia's most regarded mind. The book comes with three other tales telling of wisdom, acceptance, kindness, and forgiveness. Three Questions follows the story of a king who wants to know the answer to the three most important questions in life to seek enlightenment. The Coffee-House of Surat, tells about a coffee shop in the Indian town of Surat that has many travelers and foreigners meet from all over the globe to chat. An educated Persian theologian pays a visit to the coffee shop one day. How Much Land Does a Man Need? recounts the tale of Pahom, a peasant, who claims that he would not fear the Devil if he had enough land. When the Devil overhears this, he decides to put him to the test. Immerse in to examine the human condition described by one of the world's greatest pens.

Explores the victories and controversies of Obama's campaign through his mesmerizing speeches.

Kira Miller and David Desh return in the highly-anticipated sequel to the NY Times & USA Today bestseller, WIRED. Kira Miller is a brilliant scientist who discovers how to temporarily boost human IQ to dizzying levels. But this transcendent intelligence brings with it a ruthless megalomania. Determined to use her discovery to propel human civilization to a higher plane, despite this side

effect, Kira and ex-special forces operative David Desh recruit a small group of accomplished scientists, all of whom are safely off the grid. Or so they think . . . Soon Kira and her team are fighting for their lives against unknown but powerful adversaries. Worse still, while on the run and being relentlessly attacked from all quarters, Kira comes across evidence of savage acts that the enhanced version of Desh kept hidden, even from himself. Now both she and Desh must question everything they think they know. Can they trust each other? Can they even trust themselves? And all the while, the greatest threat of all may be coming from an entirely unexpected direction. A threat that could lead to devastation on a global scale. And time is quickly running out . . . Like its predecessor, AMPED is a smart thriller crammed with breakneck action, unexpected twists, mind-blowing science, and philosophical and ethical concepts readers will be contemplating long after they've read the last page.

A New York Times Book Review Editors' Choice Selection
"A brisk, captivating and expertly crafted reconstruction of a community living through a time of fear.... Masterful." —Washington Post
The arsons started on a cold November midnight and didn't stop for months. Night after night, the people of Accomack County waited to see which building would burn down next, regarding each other at first with compassion, and later suspicion. Vigilante groups sprang up, patrolling the rural Virginia coast with cameras and camouflage. Volunteer firefighters slept at their stations. The arsonist seemed to target abandoned buildings, but local police were stretched too thin to surveil them all. Accomack was desolate—there were hundreds of abandoned buildings. And by the dozen they were burning. "One of the year's best and most unusual true-crime books" (Christian Science Monitor), American Fire brings to vivid life the reeling county of Accomack. "Ace reporter" (Entertainment Weekly) Monica Hesse spent years investigating the story, emerging with breathtaking portraits of the arsonists—troubled addict Charlie Smith and his girlfriend, Tonya Bundick. Tracing the shift in their relationship from true love to crime spree, Hesse also conjures the once-thriving coastal community, decimated by a punishing economy and increasingly suspicious of their neighbors as the culprits remained at large. Weaving the story into the history of arson in the United States, the critically acclaimed American Fire re-creates the anguished nights this quiet county lit up in

flames, evoking a microcosm of rural America—a land half-gutted before the fires began.

This quirky novel - a bestseller in India - chronicles an Indian student's year abroad at an American university. Gopal's hilarious misadventures with the American language, his flamboyant landlady, the ubiquitous hamburger, and, most of all, American women form the basis for this wonderfully truthful story. Faced with the relentless sexuality of his fellow college students, the quintessentially decent Gopal reacts with a mixture of disbelief, sly amusement, and hormonal overload. Throughout his battles with racism, his own insecurity, and his family's warning that he will be severely judged should he dabble in America's temptations, Gopal retains a dignity and surprising shrewdness, rejecting the worst of what America offers even as he recognizes the best. Following reluctantly behind the outrageous leadership of his American friend Randy, the naive but observant Gopal reacts with a wit that far transcends his linguistic limitations.
