Law Grand Central Publishing

In Tom Kundig: Works, the celebrated Seattle-
based architect presents nineteen new projects,
from Hawaii to New York City. Kundig's award-
winning houses, known for their rugged yet elegant
and welcoming style, are showcased in lush
photography with drawings and sketches, and
appear alongside his commercial work—from
multistory complexes to the Tacoma Art Museum
to a line of hardware (handles, door pulls, hinges,
and more). In firsthand accounts, Kundig describes

the projects and his design process with many
personal anecdotes, making Tom Kundig: Works as
much memoir as monograph. The book also
includes an introduction by design editor Pilar
Viladas and in-depth conversations with Kundig's
frequent collaborators—"gizmologist" Phil Turner
and contractor Jim Dow (Schuchart/ Dow)—and
clients (Bigwood Residence and Studhorse).

"In the post-9/11 struggle for a

sane global vision, this anti-hate manifesto could not be more timely." --O: The Oprah Magazine In this acclaimed volume, Pulitzer-Prize nominated science writer Rush W. Dozier Jr. demystifies our deadliest emotion--hate. Based on the most recent scientific research in a range of fields, from anthropology to zoology, *Why We Hate* explains the origins and manifestations of this toxic emotion and offers realistic but hopeful suggestions for defusing it. The strategies offered here can be used in both everyday life to improve relationships with family and friends as well as globally in our efforts to

heal the hatreds that fester within and among nations of the world.

Honeyball and Bowers' Textbook on Employment Law is an approach to employment law with strong critical

analysis whilst placing it in its wider contexts, in a concise and user-friendly format. Fully updated to take into account the recent significant developments in this area, including the Equality Act 2010, the key topics on most employment law courses are addressed in detail. An extremely clear writing style allows this text to remain accessible and student-focussed, while providing detailed explanations and analysis of the law. The text also includes diagrams and chapter summaries throughout to aid student understanding, while further reading suggestions assist with essay preparation and research. Setting employment law in context, this book considers both industrial and collective issues as well as examining the increasing role of the EU in UK employment

law. A separate chapter on human rights also enables students to understand the role human rights legislation plays in the development of employment law. This book also contains cross referencing to Painter & Holmes' Cases & Materials on Employment Law, ensuring that these two texts continue to complement one another and provide the perfect combination of textbook analysis and the most up-to-date cases and materials. This text is accompanied by a free Online Resource Centre (www.oxfordtextbooks.co.uk/orc/honeyball12e/) which contains updates to the law and useful weblinks.

Liquid and Gas Flow, Liquid Level, and Mechanical Motion Measuring Instruments 47 North

Gary Soto writes that when he was five "what I knew best was at ground level." In this lively collection of short essays, Soto takes his reader to a ground-level perspective, resreating in vivid detail the sights, sounds, smells, and textures he knew growing up in his Fresno, California, neighborhood. The "things"

of his boyhood tie it all together: his Buddha "splotted with gold," the taps of his shoes and the "engines of sparks that lived beneath my soles," his worn tennies smelling of "summer grass, asphalt, the moist sock breathing the defeat of basesall." The child's world is made up of small things--small, very important things.

Fort Apache (Softcover) Laurel Leaf Spectacular photos and detailed text tell for the first time the exciting complete history of the Marx Fort Apache vintage toy play set, one of the most popular toys in history. Its many versions have confused enthusiasts and collectors for years but is now told with dioramas, mint sets, exact contents listings, instructions, boxes, and factory records, plus hear from the Marx men who designed the sets. Plus vintage ads from the 50's and 60's Features every Fort Apache set Louis Marx & Co. made from the earliest Stockades through the giant sets of the 1960's until the end of the company in 1982. Special sections detail the most popular era of 1959 - 1963, TV's Rin Tin Tin special sets, Famous American sets, and "lost" unnumbered sets. Exacting information and entertainment with spectacular color photos throughout by author/photographer Rusty Kern and the Editor Kathy Kern, from the publishers of

Playset Magazine featuring the top authorities on the subject.

Organs of Our Time Simon and Schuster

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion -

toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video

segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times. *Light and Sound* McGraw Hill Professional

Light is a type of electromagnetic radiation that travels in waves. Sound is a disturbance of the air, which is called a vibration. Examine the science of physics and how it applies to everyday life in *Light and Sound*, one of the titles in the Physics series.

The Vendor Compliance Handbook Duke

University Press

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland , California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more

than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.
