The Teaching of Jesus Concerning the Kingdom of God and the Church Nelson Books

The third volume of Frame's Theology of Lordship series, this book focuses on biblical ethics. In an age of ethical relativism and suspicion of authority, how can we know what is good, virtuous, or just? Frame surveys non-Christian ethical traditions before setting forth a solidly Christian ethical method. By clarifying biblical norms, life situations, and personal dimensions, he presents a model for decision

making that honors God in all aspects of life. Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship, the Sabbath, church and state, respect for life and truth, sexuality, and the relation of Christ to culture.

The Christian Advocate Theology of Lordship

The enemy wants us to feel rejected ... left out, lonely, and less than. When we allow him to speak lies through our rejection, he pickpockets our purpose. Cripples our courage.

Dismantles our dreams. And blinds us to the beauty of Christ's powerful love. In *Uninvited*, Lysa shares her own

deeply personal experiences with rejection -- from the incredibly painful childhood abandonment by her father to the perceived judgment of the perfectly toned woman one elliptical over. The author helps readers: release the desire to fall apart or control the actions of others by embracing God-honoring ways to process their hurt; know exactly what to pray for the next ten days to steady their soul and restore their confidence; overcome the two core fears that feed our insecurities by understanding the secret of belonging; stop feeling left out and start believing that "set apart" does not mean "set aside;" and the cycle of perceived rejection by refusing to turn a small incident into a full blown issue.

Experiencing God (2008 Edition) Baker Books

How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.

Crisis looks different for everyone. For some, it means facing the fallout of betrayal or divorce. For others, it means a cancer diagnosis, the death of a loved one, experiencing job loss or home foreclosure, or watching an adult child make choices that carry lifelong consequences. Some would say that hitting a relationship roadblock with a friend or family member constitutes crisis, while others would say it's losing their family pet. Regardless, their greatest need is hope. They need reassurance that

God's love will never let them go, His presence will never leave them, and His strength will carry them through. Finding Hope in Crisis addresses these needs as follows: Its overall message directs their minds to God's character and promises. These bite-sized bits of truth will feed their soul and give them the strength and encouragement needed for that day. Its devotions are short enough to read and keep their focus even when their minds are on overload. Its relevant quotes reinforce the day's teaching to help them remember that particular truth.

Raising Kingdom Kids

equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them—not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.

Where have all the disciples gone? There is a missing force in Christianity today. It's a critical one, and its absence has led to weak believers, disintegrating families, ineffective churches, and a decaying culture. Without it, we lack what we need to fully live as heaven's representatives on earth. That missing force is discipleship. In Kingdom

Disciples, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. Readers will learn: What a disciple is What a disciple cares about How to be a disciple and make disciples What discipleship looks like in community What the impact of discipleship on the world can be Kingdom disciples are in short supply, and the result is a legion of powerless Christians attending powerless churches, having a powerless presence in the world. The power, authority, abundance, victory, and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship. Kingdom Disciples calls believers and churches back to our primary, divinely ordained responsibility to be disciples

and make disciples. Only when we take seriously this assignment will the world see heaven at work on earth. Will you accept the assignment? Kingdom Disciples is useful as base material for a course on discipleship.
