Welcome to Mikuni Power - RS Series Carburetors

Hi It is the first time posting a thread in this web cuz I am a new member.I have a 72 240z bought in CA and brought to Houston, TX back in 98.It comes with Triple Solex 40 PHH set up, head and all cool looking stuffs. I let it sit too long in my garage (really long). The carbs stopped working. I...

Mikuni PHH adjustment question - Carburetor Central - The ...

Hi, just acquired this 70 2002

with Solexs, trying to get it to idle and run better, very rich. Not having any luck finding guide books, etc. The Mikuni guides for PHH show a much different carb. Can someone point me in the right direction? Heres a link to some photos:

Mikuni Solex 2 type N40 PHH
Many 2000GTs have had
replacements in the form of
Type S and Type 4 carb bodies,
so if you find a pair of these
they are worth good money now
to a 2000GT owner who wants to
go original. These look
externally like the other Type

2's (44) and similar to the 50mm version, but obviously smaller.
