---

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

Milady's Standard Fundamentals for Estheticians, [ECH Master] Milady Publishing Company

For Estheticians understanding the science of different ingredient types is crucial. This book breaks down and explains the biological chemistry concepts of common skin care ingredient types to assist Estheticians in their understanding of skin care science.

**Student Workbook for Milady's Standard Esthetics: Advanced**  
Independently Published

This practical book provides both esthetic students and professionals alike with advanced scientific, theoretical and technical information in one easy-to-use and reader-friendly guide. This guide contains specific details on topics including sun damage, retinoids and therapy for photoaging skin, chemical peeling and more. A valuable supplement to Milady's Standard Textbook should be incorporated into school curriculums, helping to better prepare future estheticians for the world in which they will operate.

*Milady's Standard Nail Technology [With Workbook]* Milady Publishing Company

MILADY STANDARD ESTHETICS: ADVANCED, SECOND EDITION is an essential tool for students enrolled in advanced esthetics programs and critical for anyone serious about achieving a higher level of success in the beauty and wellness field. This new edition demonstrates Milady's commitment to providing the most current, cutting-edge educational resources to esthetic students and professionals anxious to expand and perfect their skills in one of the fastest growing industries of the day. It responds to the increasing demand for a more robust knowledge of skin care principles and techniques resulting from trends in medical esthetics as well as in hospitality and tourism. MILADY STANDARD ESTHETICS: ADVANCED encompasses the broad areas of advanced skin sciences, including skin disorders and the updated ABC's of skin cancer; advanced esthetic techniques and devices; spa and alternative therapies; and working in a medical setting, including plastic surgery procedures and pre- and post-medical treatments. An introductory section addresses changes in esthetics to keep the student up-to-date on the newest technology and products, plus the final two chapters delve into financial business and marketing skills vital for rounding out success in the world of esthetics.
