This latest edition of Milady Standard Nail Technology gives the aspiring nail

technician the tools they need to launch themselves into a rewarding and successful career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Behavior Management: From Theoretical Implications to Practical Applications Cengage Learning

Authored by nationally recognized scholar and behavioral consultant Dr. John W. Maag, this book focuses primarily on students' observable behaviors and the environmental factors that affect their expression. As Maag points out, behavior management is probably one of the most misunderstood concepts in education. Written in a very accessible style, this book demystifies stereotypical beliefs and misconceptions regarding the use of reinforcement, punishment, and self-control. Maag offers clear, but detailed descriptions of proven intervention techniques, supplemented by a range of step-by-step guidelines, sample forms, charts, graphs, and illustrations that assist teachers in implementing the techniques. Although the techniques described in the book are based on a sound theoretical and empirical foundation, the author limits the use of technical jargon and infuses real-life examples and case studies that clarify and illuminate the presentation.

Milady's Standard Professional Barbering Cengage Learning

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our

commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.

14-Book Set, Fundamentals Concept Media

Milady Master Educator, Fourth Edition provides the backbone of the instructor theory for the beauty and wellness educator. The content presents educators with the teaching skills and educational judgments necessary to become an effective, engaging, and successful instructor. Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future

instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of the learning environment.
