Milady Standard Natural Hair Care & Braiding

Milady Publishing Company

This book of exam reviews contains questions similar to those that may be found on state licensing exams for nail technology. It employs the multiple-choice type question, which has been widely adopted and approved by the majority of state licensing boards. This book serves as an excellent guide for the student as well as for the experienced nail

technician. It provides a reliable standard against which professional can measure their knowledge, understanding, and abilities. Furthermore, these review will help student and professional alike to gain a more thorough understanding of the full scope of their work as they review practical performance skills and related theory. They will increase their ability to evaluate new products and procedures and to be better qualified professional for dealing with the needs of their clients.

Milady's Art & Science of Nail Technology Milady Publishing Company

This is the primary supplement to *Milady's Standard Nail Technology Revised*. The Exam Review contains chapter-by-chapter questions in a multiple-choice format to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas.
