This newly revised workbook directly follows the information found in the student textbook. This popular supplement contains detailed, interactive exercises designed to reinforce learning and

increase student comprehension, including fill-in-the-blank, word review, matching, and final review examinations. Carefully designed to help students get the most out of their textbooks, the workbook emphasizes key point of information that are most likely to included in state board exams.

Milady's Standard Esthetics: Advanced Step-by-Step Procedures, Spiral bound Version Ardent Media This supplement tests students' knowledge of how they should apply the

information they have learned to real-life situations. This text asks that the apply that knowledge to situations that more closely reflect what they are likely to encounter as a salon employee, demonstrating that they know how to use the information they have learned. The questions are more complex than Exam Review questions, often describing a salon stylist or other professional who has a client with a combination of conditions, problems or attitudes. The student will

have to take desired results, both from a technical and a communication perspective. Answers are included in the back of the book.
