---

This book introduces the technical and creative aspects of braiding, styling, and grooming hair that is naturally curly, kinky, or multi-textured. Also included, are 17 procedures with step-by-step photos and detailed instructions in techniques for styling and grooming natural hair and natural hair additions. This is a “must have” for those who are serious about developing a wide range of services and building a broad, diverse client base--crucial

elements for success in the flourishing hair care industry. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. **Spanish Translated Study Guide the Essential Companion** Delmar MILADY STANDARD ESTHETICS FUN DAMENTALS, 11E International Edition is the essential source for basic esthetics training. This new edition builds

upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and

---

disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting.
