A User's Guide To The
Millennium: Essays And
Reviews is a collection of

writings by the British author J. G. Ballard. Published in 1996, the book brings together many of Ballard's short pieces for magazines and newspapers, and covers reviews, essays and musing on subject from art, literature and science. The book also contains a selection of autobiographical writings, and celebrations of Ballard ...

Millennia Audio User Guide - Orris

The Millennial Manual equips leaders to increase productivity, improve retention, and accelerate the development of their Millennial workforce. Since Millennials became a majority of the labor force, leaders have found themselves ill-equipped to successfully manage, develop, and engage this unprecedented generation.
