Millie's Fling by Jill Mansell - Goodreads
Mansell as an apparent knack for peopling her novels with delightfully zany, very human characters, relatable in both their triumphs and heartaches. And here, at least, she favors large casts of characters -- for though this novel is called *Millie's Fling*, that quickly proves to be something of a misnomer.

Millie's Fling by Jill Mansell | Smart Bitches, Trashy Books

Millie, the main character of the book (whose title indicates some sort of fling is imminent), is at a lookout point with her boyfriend Neil.

He is trying to work up the nerve to ask her something when she notices a woman pacing by the cliffside, inhaling cigarettes and clearly trying to talk herself into something.

Love is always just around the corner in a Jill Mansell novel - with a few surprises and a lot of humour on the way to happiness. When Millie Brady saves Orla Hart's life she doesn't realise how drastically it will change her own - not least because

the boyfriend who was asking her to move in with him at the time stormed off in a huff.

Millie's Fling By Jill Mansell | Used | 9780755332564 ...

Millie's Fling by Jill Mansell is light-hearted and comical. This novel follows all the chick lit guidelines, which made it a tad predictable, but there were some interesting plot twists to keep me on my toes. There was one major reason why I can't say I love this book.
