Mansell as an apparent
knack for peopling her
novels with delightfully
zany, very human
characters, relatable in
both their triumphs and

heartaches. And here, at
least, she favors large
casts of characters -- for
though this novel is called
Millie's Fling, that quickly
proves to be something of
a misnomer.

Love is always just around
the corner in a Jill Mansell
novel - with a few surprises
and a lot of humour on the
way to happiness When
Millie Brady saves Orla
Hart's life she doesn't

realise how drastically it will
change her own - not least
because the boyfriend who
was asking her to move in
with him at the time stormed
off in a huff.

[Millie's Fling: Mansell, Jill:

Millie's Fling by Jill Mansell is
light-hearted and comical. This
novel follows all the chick lit
guidelines, which made it a tad
predictable, but there were
some interesting plot twists to
keep me on my toes. There
was one major reason why I
can't say I love this book.
