**Philosophy and the Mirror of Nature - Wikipedia**  
Philosophy and the Mirror of Nature is a 1979 book by the American philosopher Richard Rorty, in which the author attempts to dissolve modern philosophical problems instead of solving them by presenting them as pseudo-problems that only exist in the language-game of epistemological projects culminating in analytic philosophy.In a pragmatist gesture, Rorty suggests that philosophy must get past ...

The Later Heaven Bagua mirror has the so-called Li trigram on top (one interrupted, yin line, between two uninterrupted, yang lines).. *The Mind Is a Mirror - Scientific American*  
Let's say your mirror at home retains just ten per cent of everything that it reflects -it would become useless in a very short while. Hence, for a mirror to be useful, one thing is, it must be perfectly flat. Another thing is, nothing should remain on it, Only then, it will show you things just the way it is. This is the same with the mind.
