This is a true Nora Roberts book, good strong woman who is successful in her field. Strong alpha successful male, fall in love (eventually) after the Sparks start to fly. I wouldn't say this was one of her best, hence only 4 stars.

"Going Home" is really 3 of Nora Roberts's books--"Unfinished Business", "Island of Flowers" and "Mind Over Matter". The stories are of 3 couples that have their problems in trying to fall in love. My personal

favorite was

"Unfinished Business". The plots are predictable but make for cozy reading.
