With hundreds of millions of players around the world, Fortnite is the video game sensation that has taken the world by storm. Its unique design combines the construction and problem solving of games like Minecraft with competitive online battles. In this book, readers will learn everything they need to know to get started in their first online Battle Royale matches. Includes table of contents, author biography, sidebars, glossary, index, and informative backmatter.

Minecraft Bite-Size Builds Speedy Publishing LLC

The book is for anyone who wants to learn how to modify Minecraft--no previous programming experience required! The book uses JavaScript, a popular programming language for creating websites and scripting. Aimed at kids who already play Minecraft, this guide will teach coding through a series of "Recipes" (the term used in-game when crafting new objects). For example, in the game, one of the first things any player must do is create a Workbench, or Crafting Table, which will in turn enable the player to create

sophisticated tools. Recipe 1 in the book (the term Recipe and Chapter is interchangeable) is 'A modding Workbench' and its ingredients are the tools the reader will need to begin modding. The goal of each Recipe/chapter is to introduce a new JavaScript concept or expand upon a previously introduced concept. The author will present each recipe as a useful addition to the game while gently introducing programming concepts in an approachable style. This unique approach gets over the problem of introducing JavaScript in an interesting way and avoids spending 3 or 4 chapters explaining JavaScript core concepts in a vacuum. Several Recipes will be covered, including Rolling Dice, Snowball Fight, Piggie Pandemonium, Advanced Modding, and more.

An A - Z Book of Tips and Tricks the Official Guides Don't Teach You Del Rey

One thing is for sure, we still haven't found out everything in our habitat. There are still worlds waiting to be discovered and mysteries to unlock. And if you are one of the adventure-drunken gamer who loves mining, building houses, killing zombies, making potions, exploring new realms and more, then you must include Terarria in your game list.
