Raven SMP is a ten-person Minecraft building team, which sounds like a logistical nightmare, but in the case of this radiant world of wonders, ten people is just enough to make something special. Rather than being simply a village or a themed project, Raven's world is a kaleidoscopic mish-mash of spectacles, from the towering windmill skyscraper to the strange ombre glass apartment building to the big thing in the sky that's shooting a laser

directly at us.

What makes this even funnier is that it
frequently happens in vanilla Minecraft, with

several other steeds as well... including THEIR
ZOMBIE FATHERS. When inside the
Wither Storm, you can see the Witherized
Ender-Con Usher from Episode 1, screaming
in silent terror at a Witherized Chicken.

MY NAME IS STEVE: A short Minecraft story for the curious.

There are good, silly little kids stories related to Minecraft, such as the kid who played so much and was so spoiled that his parents bought him everything Minecraft, even buying him and

island. This continues until... [spoiler ;)] There are no stories actually set in Minecraft, though.

Monster school : Sad Beggar Life Story - Minecraft ...

You've heard that the darkness in Minecraft is not your friend, and that monsters appear in the black of night. The sun continues to sink, digging into the horizon. It hovers for a moment, and is then gone. Darkness envelopes the landscape, and suddenly the inviting land around you seems alien and strange.

Wonderful MC story Trevor. A fellow MC player has adapted and produced a short video of this same story of yours on his youtube channel and indeed credits you for the story. As like the story, its a real master piece. Please feel free to head on over to his youtube channel and watch it.
