Miracles and Massacres: True and Untold Stories of the ...

History as it's supposed to be told: true and thrilling. History is about so much more than memorizing facts. It is, as more than half of the word suggests, about the story. And, told in the right way, it is the greatest one ever written: Good and evil, triumph and tragedy, despicable acts of barbarism and courageous acts of heroism. The things you 've never learned about our past will shock you.
