ANTHONY L. HALL takes aim at the global events of 2016 with a unique and refreshing perspective.

Here are some topics in this twelfth volume of his writings: Hillary Calling Half of Trumps Supporters a Basket of Deplorables Hillary was only half right But the most troubling thing is not how deplorable they are; its how willing they are to elect an even more deplorable man as president of the United States. The latter is what I find incomprehensible unforgivable.

Brexit The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains. After all, Britain planted the seeds of disintegration years ago, when it began negotiating all kinds of opt-outs from EU legislation and treaties. Brazilians Protesting Cost of Rio Olympics Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks. After all, the debt hangover from those Games not only triggered the EU financial crisis of 2010, but austerity measures to

service that debt have many once-proud, middle-class Greeks now living like favela-dwelling Brazilians. Report on College Coaches Raking in Millions These salaries only validate my longstanding contention that college coaches are using the free labor of student-athletes to live like plantation owners. The only precedent for this is the Founding Fathers, many of whom were in fact plantation owners, preaching about all men being created equal while owning slaves. VP-Elect Pence Hailing Trump for Accusing the FBI of Corruption Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trumps ego, affecting that constipated countenance of sincerity as he does so. J.K. Rowling merchandising Harry Potter like Mickey Mouse I admired her because she helped millions of kids discover the love of reading. But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkies addiction.

Beauty Pageants for Little
Girls Is Your Daughter

Exceptionally Pretty? Does She
Have an Outgoing Personality?

Have You Ever Thought About
Entering Her in a Pageant?

Discover the World of

Pageantry! If you answered yes

to any of those questions above you obviously have a beautiful daughter. If you answered yes you obviously want to learn more about entering her into a beauty pageant. Beauty Pageants for young women have been around for many years. Miss America, Miss Universe and so on. There are many reasons why these women choose to participate. Each candidate has their own motivation. Sometimes they join for the fame, fortune and travel. Others participate in hopes of attaining scholastic rewards such as scholarships or monetary rewards that will allow them to pursue higher education. The latter two are the most often reasons given when parents elect to enroll their young girls in local and regional pageants. The primary reason is money. If they can earn enough money to invest in further pageants they hold out hope that they can progress their daughter through the ranks to larger, more lucrative pageants as they advance in age. There is much to learn when choosing to enter the world of beauty pageantry. It isn't all glowing and rosy. Not every child is a candidate and not every pageant is appropriate. In fact, it can be downright stressful.

Unfortunately, beauty pageants for little girls are infiltrated with instances of fraud. You must be very careful when selecting which events to participate in. It seems that every avenue of life is fraught with potential ugliness. It's particularly unsavory when it's embedded into activities that revolve around children. Promoters have been known to schedule pageants selling packages for entry and other benefits then failing to follow through. In some cases they are never seen again after taking your money. It's important that you learn everything you need to know before you sign anything pay any money. Additionally, there is other information that you need to become familiar with before entering the world of pageantry for your little girl. Don't know where to begin? "Beauty Pageants for Little Girls" teaches you everything you need to know to school yourself in the world of pageantry. Crammed into the digital pages is information on how to find pageants in your local area. You can also learn how to start your own if you do not have a local venue. Legitimate pageants will interview potential candidates.

Discover what the normal interview is all about and what the interviewer is looking for. Where to find the proper dresses and how to style the entrants hair are other topics you will get the answers to in "Beauty Pageants for Little Girls." Another possibility to consider is creating a pageant video. Some parents have found that submitting a video of their child containing an overview of her talent and giving her a small speaking role helps to boost their child into the top contenders. Other parents have found that having a photographic portfolio is important in promoting your child. Professional photography is not cheap but it does add to the validity of your entry. Many have found that participating in beauty pageants is also a vehicle to launch their child into a modeling career. We all tend to think of modeling as string bean women that grace the cover of magazines. That isn't always true. Stop and ponder for a moment just how often you are confronted with a model, whether it's a child or an adult. Television commercials, magazine commercials, posters and more all use models. The list is endless. We could go on and on

about the wealth of information contained in "Beauty Pageants for Little Girls" but the best course of action is to have your own copy. You can do that easily and it's guaranteed. If you are seriously interested in pursuing this for your child, get your copy now. We take all the risk. *The Crowning Secrets of Beauty Queens* Radian Book Company Stories on various subjects. In the title story a taxi driver stalks Miss Thailand, in Leg a stoic pays for not seeing a doctor by an amputation, while in Sleights a dead magician discovers his daughter's true feelings for him.

The first semester at Hembree Elementary School was filled with intrigue and mystery as three mischievous fifth grade boys learned a valuable lesson about themselves. The first-year school, under the supervision of the disciplined, yet encouraging principal Mrs. Silly-Willie, had a bizarre situation where electric pencil sharpeners were missing. The boys, along with their female

classmates, had an interesting winter, too. A mystifying mural, created by an enigmatic artist Magi, catapulted the students into a fantastic world where fantasy and reality were difficult to tell apart. Now, with spring fresh in the air, Mr. Puffy's class participates with a partner school across town in the district-wide science fair. The group of students creates a most unusual project. This project catapults them into a yet another captivating adventure where their writing and reasoning skills will be significantly challenged.

This fluent and comprehensive field guide responds to increased interest, across the humanities, in the ways in which digital

technologies can disrupt and open up new research and pedagogical avenues. It is designed to help scholars and students engage with their subjects using an audio-visual grammar, and to allow readers to efficiently gain the technical and theoretical skills necessary to create and disseminate their own trans-media projects. *Documentary Making for Digital Humanists* sets out the fundamentals of filmmaking, explores academic discourse on digital documentaries and online distribution, and considers the place of this discourse in the evolving academic landscape. The book walks its readers through the intellectual and practical processes of creating digital media and documentary

projects. It is further equipped with video elements, supplementing specific chapters and providing brief and accessible introductions to the key components of the filmmaking process. This will be a valuable resource to humanist scholars and students seeking to embrace new media production and the digital landscape, and to those researchers interested in using means beyond the written word to disseminate their work. It constitutes a welcome contribution to the burgeoning field of digital humanities, as the first practical guide of its kind designed to facilitate humanist interactions with digital filmmaking, and to empower scholars and students alike to create and distribute new media audio-visual artefacts.

How To Win Friends And Influence People iUniverse

The 1950s television game show was a cultural touchstone, reflecting the zeitgeist of a flourishing modern nation. The author explores the iconography of the mid-20th century U.S. in the context of TV watching, game playing and prize winning. The scandals that marred the genre's reputation are revisited, highlighting American's propensity for both gullibility and winking cynicism.

Ethnography in the Raw describes the author's encounters with the Philippine family into which he has married, his wife's friends and acquaintances, and their lives in a remote rural village in the rice basin of Luzon, about 130 miles northeast of Manila. The book links detailed descriptions of his Philippine family with cultural practices such as circumcision, marriage and cockfights combined with theoretical musings on the concepts of sacrifice, social exchange, patron-client relations, food, and religious symbolism. It is both anthropological fieldwork 'in the raw,' and an incisive analysis of contemporary Philippine society and culture.

Marvel Cinematic Universe All Your Questions Answered iUniverse

Go Ask Your Dad challenges fathers from different faiths, cultures, and generations to come together and answer tough questions dads, children, and families face today. Fathers must learn from the past,

be prepared now and in the future to discuss everything from sexual education and identity to what kind of career path a youth could choose. They need to have answers on how to handle negative things such as cyber-bullying and ISIS, but also must encourage good choices for health, happiness and a brighter tomorrow. The authors of Go Ask Your Dad don't claim to be perfect dads; they do promise, in this book, you will find valuable lessons from their mistakes and successes.

The New-church League Journal

Japanese society is now in the midst of a dramatic transformation. An extremely low birth rate and rapidly aging

society is resulting in a declining Japanese people and the government Japanese labor force, fueling a need for non-Japanese laborers and others to maintain economic growth. However, despite a sense of impending crises, Japan continues to be ill equipped to accept non-Japanese workers and add to the diversity already existing within its borders. Currently, many of the benefits of inclusive societies, which lead to a more innovative and fulfilling society, are being curtailed by a pervading notion that Japan is monocultural and that diversity leads to too many problems. Readings on diversity issues: From hate speech to identity and privilege in Japan examines the state of diversity in past and present-day Japan and how society is resulting in a declining Japanese people and the government navigate Japan's multicultural society, as well as the way cultural minorities negotiate their lives in a country which still has difficulty accepting diversity.

Puerto Rico, a Unique Culture Rex

Featuring more than 2,000 news stories and over 1,000 colour and black & white illustrations, Chronicle of Thailand offers a grandstand view of some of the most important events in Thailand's modern history.

Starting on June 9, 1946 with the coronation of Bhumibol Adulyadej, the current King of Thailand, this volume presents a vivid eyewitness account of the country's development by reliving the major news events as they unfolded - the suppression of Communism, the Vietnam War, the October 1973 Uprising, economic booms, great sporting moments, cultural firsts, unforgettable tragedies, and quirky aspects of daily life that

just happened to make the news.
