O'Reilly's Missing Manual series are beautifully written manuals with a casual, user-friendly tone for popular consumer software and hardware products.

Access 2007: The Missing Manual - O'Reilly Media
This is a fairly comprehensive Access 2007 manual. However, it could be more concise. For example, "They [action queries] commit changes (usually to multiple records), and once you've applied the changes, you can't reverse them" could have been simply "action queries make irreversible changes to table data".
