*The Story of Emmett Till* Pan Macmillan

Mississippi Trial, 1955 Penguin

**Our America** Penguin

Historians have long agreed that women—black and white—were instrumental in shaping the civil rights movement. Until recently, though, such claims have not been supported by easily accessed texts of speeches and addresses. With this first-of-its-kind anthology, Davis W. Houck and David E. Dixon present thirty-nine full-text addresses by women who spoke out while the struggle was at its most intense. Beginning with the Brown decision in 1954 and extending through the Voting Rights Act of 1965, the editors chronicle the unique and important rhetorical contributions made by such well-known activists as Ella Baker, Fannie Lou Hamer, Daisy Bates, Lillian Smith, Mamie Till-Mobley, Lorraine Hansberry, Dorothy Height, and Rosa Parks. They also include speeches from lesser-known but influential leaders such as Della Sullins, Marie Foster, Johnnie Carr, Jane Schutt, and Barbara Posey. Nearly every speech was discovered in local, regional, or national archives, and many are published or transcribed from audiotape here for the first time. Houck and Dixon introduce each speaker and occasion with a headnote highlighting key biographical and background details. The editors also provide a general introduction that places these public addresses in context. *Women and the Civil Rights Movement, 1954-1965* gives voice to stalwarts whose passionate orations were vital to every phase of a movement that changed America.

*Coming of Age in Mississippi* Houghton Mifflin Harcourt

Interviews describe ghetto life

*An Easy Rawlins* Novel Penguin

The mother of Emmett Till recounts the story of her life, her son's tragic death, and the dawn of the civil rights movement—with a foreword by the Reverend Jesse L. Jackson, Sr. In August 1955, a fourteen-year-old African American, Emmett Till, was visiting family in Mississippi when he was kidnapped from his bed in the middle of the night by two white men and brutally murdered. His crime: allegedly whistling at a white woman in a convenience store. The killers were eventually acquitted. What followed altered the course of this country's history—and it was all set in motion by

the sheer will, determination, and courage of Mamie Till-Mobley, whose actions galvanized the civil rights movement, leaving an indelible mark on our racial consciousness. *Death of Innocence* is an essential document in the annals of American civil rights history, and a painful yet beautiful account of a mother's ability to transform tragedy into boundless courage and hope. Praise for *Death of Innocence* "A testament to the power of the indestructible human spirit [that] speaks as eloquently as the diary of Anne Frank." —The Washington Post Book World "With this important book, [Mamie Till-Mobley] has helped ensure that the story of her son (and her own story) will not soon be forgotten. . . . A riveting account of a tragedy that upended her life and ultimately the Jim Crow system." —Chicago Tribune "The book will . . . inform or remind people of what a courageous figure for justice [Mamie Till-Mobley] was and how important she and her son were to setting the stage for the modern-day civil rights movement." —The Detroit News "Poignant . . . In his mother's descriptions, Emmett becomes more than an icon; he becomes a living, breathing youngster—any mother's child." —Pittsburgh Post-Gazette "Powerful . . . [Mamie Till-Mobley's] courage transformed her loss into a moral compass for a nation." —Black Issues Book Review Robert F. Kennedy Book Award Special Recognition • BlackBoard Nonfiction Book of the Year

#1 NEW YORK TIMES BEST SELLER • In 1970, Willie Traynor comes to Clanton, Mississippi, in a Triumph Spitfire and a fog of vague ambitions. Within a year, the twenty-three-year-old finds himself the owner of Ford County's only newspaper, famous for its well-crafted obituaries. While the rest of America is in the grips of turmoil, Clanton lives on the edge of another age—until the brutal murder of a young mother rocks the town and thrusts Willie into the center of a storm. Daring to report the true horrors of the crime, Willie makes as many friends as enemies in Clanton, and over the next decade he sometimes wonders how he got there in the first place. But he can never escape the crime that shattered his innocence or the criminal whose evil left an indelible stain. Because as the ghosts of the South's past gather around Willie, as tension swirls around Clanton, men and women who served on a jury nine years ago are starting to die one by one—as a killer

exacts the ultimate revenge.

*The Last Juror* Anchor

When Miles's mother remarries, Miles decides to move to New Orleans to be with his father. But he and his father are very different—Miles's dad lives for jazz, while Miles's first love is football. Then Hurricane Katrina hits, and the two must seek refuge in the Superdome. What would normally be a dream come true for a football fan, this safe haven turns into a nightmare when the power fails and gangs take over. And when his father decides to rebel, Miles must make a choice that will alter their relationship—and their lives—forever.

*A Talk-rock Album* Random House

The police don't show up on Easy Rawlins's doorstep until the third girl dies. It's Los Angeles, 1956, and it takes more than one murdered black girl before the cops get interested. Now they need Easy. As he says: "I was worth a precinct full of detectives when the cops needed the word in the ghetto." But Easy turns them down. He's married now, a father -- and his detective days are over. Then a white college coed dies the same brutal death, and the cops put the heat on Easy: If he doesn't help, his best friend is headed for jail. So Easy's back, walking the midnight streets of Watts and the darker, twisted avenues of a cunning killer's mind....

**Women and the Civil Rights Movement, 1954-1965** Usborne Publishing Ltd

In 1735, five Maroon boys are ready to be initiated as warriors. They have prepared long and hard for this day, and must now pass a sequence of tests. How the boys approach this, the most important day of their lives, says much about how they will respond to the challenges ahead. When they encounter a Redcoat troop in the forest near their village, the defence of the village and surrounding Maroon communities will depend on these boys, their training, courage, and intelligence. On this occasion, their community depends on them for its survival, but their initiation as warriors also teaches them lifelong lessons about loyalty, responsibility, trustworthiness and friendship.

A Bernie Gunther Novel Farrar, Straus and Giroux (BYR)

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St.

Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

**Ghost Boys** Univ. Press of Mississippi

A gripping true story of murder and the fight for civil rights and social justice in 1960s Mississippi.

Death Coming Up the Hill Scholastic Inc.

The day he buried his pa, Nobe Chase lost everything—his father, his home, and his dog, Rex. Worst of all, he had to move into town to live with Sheriff Leonard—dog killer, wife stealer, and secret law-breaker of all sorts. That day, Nobe found a new purpose for his life—revenge. Hate takes over his life, burning out of control inside him. Nobe learns how dangerous hate can be when it is unleashed in a fury of fire and gunpowder during a race riot in nearby Tulsa. When the violence spills over into his hometown, Nobe must decide what kind of man he is going to become—one driven by vengeance or one driven by courage. Based on true events in Tulsa, Oklahoma, during May of 1921, Anna Myers has produced a powerful novel about a young man who must wrestle with his past and find the strength to pull free from the poisonous grip of hatred and abuse.

**Thurgood Marshall** Penguin

As the fiftieth anniversary approaches, there's a renewed interest in this infamous 1955 murder case, which made a lasting mark on American culture, as well as the future Civil Rights Movement. Chris Crowe's IRA Award-winning novel and his gripping, photo-illustrated nonfiction work are currently the only books on the teenager's murder written for young adults.

**The City of Ember** Simon and Schuster

Originally published in France and long sought in English translation, Jean-Paul Gabilliet's *Of Comics and Men: A Cultural History of American Comic Books* documents the rise and development of the American comic book industry from the 1930s to the present. The book intertwines aesthetic issues and critical biographies with the concerns of production, distribution, and audience reception, making it one of the few interdisciplinary studies of the art form. A thorough introduction by translators

and comics scholars Bart Beaty and Nick Nguyen brings the book up to date with explorations of the latest innovations, particularly the graphic novel. The book is organized into three sections: a concise history of the evolution of the comic book form in America; an overview of the distribution and consumption of American comic books, detailing specific controversies such as the creation of the Comics Code in the mid-1950s; and the problematic legitimization of the form that has occurred recently within the academy and in popular discourse. Viewing comic books from a variety of theoretical lenses, Gabilliet shows how seemingly disparate issues—creation, production, and reception—are in fact connected in ways that are not necessarily true of other art forms. Analyzing examples from a variety of genres, this book provides a thorough landmark overview of American comic books that sheds new light on this versatile art form.

#### A Novel Akashic Books

Take a drive through the Mississippi Delta today and you'll find a landscape dotted with memorials to major figures and events from the civil rights movement. Perhaps the most chilling are those devoted to the murder of Emmett Till, a tragedy of hate and injustice that became a beacon in the fight for racial equality. The ways this event is remembered have been fraught from the beginning, revealing currents of controversy, patronage, and racism lurking just behind the placid facades of historical markers. In *Remembering Emmett Till*, Dave Tell gives us five accounts of the commemoration of this infamous crime. In a development no one could have foreseen, Till's murder—one of the darkest moments in the region's history—has become an economic driver for the Delta. Historical tourism has transformed seemingly innocuous places like bridges, boat landings, gas stations, and riverbeds into sites of racial politics, reminders of the still-unsettled question of how best to remember the victim of this heinous crime. Tell builds an insightful and persuasive case for how these memorials have altered the Delta's physical and cultural landscape, drawing potent connections between the dawn of the civil rights era and our own moment of renewed fire for racial justice.

#### **Emmett Till** Bloomsbury Publishing USA

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth. *The Pale Criminal* Random House

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy "Compelling."—Renee Graham, Boston Globe "Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

#### *Tangerine Anchor*

In Mississippi in 1955, a sixteen-year-old finds himself at odds with his grandfather over issues surrounding the kidnapping and murder of a fourteen-year-old African American from Chicago.

#### **A Cultural History of American Comic Books** Little, Brown Books for Young Readers

*Kiss the Dust* by Elizabeth Laird is an unforgettable, award-winning novel of conflict, persecution and the hardships faced by refugees. Tara is an ordinary teenager. Although her country, Kurdistan, is caught up in a war, the fighting seems far away. It hasn't really touched her. Until now. The secret police are closing in. Tara and her family must flee to the mountains with only the few things they can carry. It is a hard and dangerous journey - but their struggles have only just begun. Will anywhere feel like home again?

#### **Kiss the Dust** Univ. Press of Mississippi

The world knows the story of young Emmett Till. In August 1955, the fourteen-year-old Chicago boy supposedly flirted with a white woman named Carolyn Bryant, who worked behind the counter of a country store, while visiting family in Mississippi. Three days later, his mangled body was recovered in the Tallahatchie River, weighed down by a cotton-gin fan. Till's killers, Bryant's husband and his half-brother, were eventually acquitted on technicalities by an all-white jury despite overwhelming evidence. It seemed another case of Southern

---

justice. Then details of what had happened to Till became public, which they did in part because Emmett's mother, Mamie Till-Mobley, insisted that his casket remain open during his funeral. The world saw the horror, and Till's story gripped the country and sparked outrage. Black journalists drove down to Mississippi and risked their lives interviewing townsfolk, encouraging witnesses, spiring those in danger out of the region, and above all keeping the news cycle turning. It continues to turn. In 2005, fifty years after the murder, the FBI reopened the case. New papers and testimony have come to light, and several participants, including Till's mother, have published autobiographies. Using this new evidence and a broadened historical context, Elliott J. Gorn delves more fully than anyone has into how and why the story of Emmett Till still resonates, and always will. Till's murder marked a turning point, Gorn shows, and yet also reveals how old patterns of thought and behavior endure, and why we must look hard at them.

Alabama Moon Yale University Press

Employing never-before-used historical materials, the authors of *Emmett Till and the Mississippi Press* reveal how Mississippi journalists both expressed and shaped public opinion in the aftermath of the 1955 Emmett Till murder. Combing small-circulation weeklies as well as large-circulation dailies, Davis W. Houck and Matthew A. Grindy analyze the rhetoric at work as the state attempted to grapple with a brutal, small-town slaying. Initially, coverage tended to be sympathetic to Till, but when the case became a clarion call for civil rights and racial justice in Mississippi, journalists reacted. Newspapers both reported on the Till investigation and editorialized on its protagonists. Within days the Till case transcended the specifics of a murder in the Delta. Coverage wrestled with such complex cultural matters as the role of the press, class, gender, and geography in the determination of guilt and innocence. *Emmett Till and the Mississippi Press* provides a careful examination of the courtroom testimony given in Sumner, Mississippi, and the trial's conclusion as reported by the state's newspapers. The book closes with an analysis of how Mississippi has attempted to come to terms with its racially troubled past by, in part, memorializing Emmett Till in and around the Delta.
