novelist, illustrated by a great American artist—now available in a collectible two-volume set. In 1936, the Heritage Press, a publisher of fine editions, commissioned Norman Rockwell to illustrate Mark Twain's *Adventures of Tom Sawyer*; four years later, they asked him to illustrate *The Adventures of Huckleberry Finn* as well. For each book, Rockwell created eight full-color paintings and numerous pen-and-ink drawings, the product of extensive on-the-ground research in Twain's hometown of Hannibal, Missouri. Famously, Rockwell even tried to buy some Hannibal residents' old clothes, to dress his models in. For years, the Rockwell editions of *Tom Sawyer* and *Huckleberry Finn* have been unavailable in stores. Now, Abbeville Press is proud to reissue them as a handsome new clothbound set. The color plates are reproduced from new photography of Rockwell's original paintings, the typesetting has been done anew to a high standard, and new introductions—illustrated with Rockwell's rarely seen preliminary sketches—examine this unique encounter between two legendary chroniclers of America. Publisher's note: These volumes present Mark Twain's text unabridged and unedited, as it appeared in the original American editions of *The Adventures of Tom Sawyer* (1876) and *The Adventures of*

*The Adventures of Tom Sawyer* is the first of Mark

Twain's novels to feature one of the best-loved characters in American fiction, with a critical introduction by John Seelye in Penguin Classics. It's about a young boy growing up along the Mississippi River. It is set in the 1840s in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. *Tom Sawyer* lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. He cleverly persuades his friends to trade him small treasures for the privilege of doing his work.

---

He trades these treasures for tickets given out in Sunday school for memorizing Bible verses and uses the tickets to claim a Bible as a prize. He loses much of his glory, however, when, in response to a question to show off his knowledge, he incorrectly answers that the first two disciples were David and Goliath.

"That is just the way with some people. They get down on a thing when they don't know nothing about it." -Huckleberry Finn (1885) *Adventures of Huckleberry Finn* (1884/1885),

a sequel to *The Adventures of Tom Sawyer* by Mark Twain, is one of the Great American Novels. It tells the story about Huckleberry Finn, who together with the slave Jim, runs away from his abusive father and makes a trip down the Mississippi River on a raft. It offers a colorful description of pre-Civil War society in the American South with its people and places along the Mississippi. This book is no stranger to controversy, when upon its publication it was criticized for its rough language, and during the 20th century for using racial stereotypes. Nevertheless, Ernest Hemingway said: "All

modern American literature comes from one book by Mark Twain, called *Huckleberry Finn*." This replica of the original 1885 edition of *Adventures of Huckleberry Finn*, with illustrations by E. W. Kemble, has remained popular with many readers, young and old.

---

20 years before the work was published, *Adventures of Huckleberry Finn* is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, *Adventures of Huckleberry Finn* has also been the continued object of study by literary critics since its publication. The book was widely criticized upon release because of its extensive use of coarse language. Throughout the 20th century, and despite arguments that the protagonist and the tenor of the book are anti-racist, criticism of the book continued due to both its perceived use of racial stereotypes and its frequent

use of the racial slur "nigger." **The Adventures of Tom Sawyer (Annotated Edition)** Modern Library *Adventures of Huckleberry Finn* (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of

three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and

---

freedom in all of American literature.

*Life on the Mississippi*

Routledge

Huck, escaping from his cruel father, meets Jim, a runaway slave, and together they embark on a grand adventure down the Mississippi River on a raft. Includes original illustrations, historical notes, a glossary, maps, and other resources.

The Adventures of Tom Sawyer by Mark Twain is

an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime. Though overshadowed by its

sequel, *Adventures of Huckleberry Finn*, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written on a typewriter.

[Adventures of Huckleberry Finn Illustrated](#) Harpercollins College Division

Mark Twain is perhaps the most widely read and enjoyed of all our national writers. This Library of America collection presents his best-known works, together for the first time in one volume. Tom Sawyer “is simply a hymn,” said its author, “put into prose

---

form to give it a worldly air,” a book where nostalgia is so strong that it dissolves the tensions and perplexities that assert themselves in the later works. Twain began *Huckleberry Finn* the same year *Tom Sawyer* was published, but he was unable to complete it for several more. It was during this period of uncertainty that Twain made a pilgrimage to the scenes of his childhood in Hannibal, Missouri, a trip that led eventually to *Life on the Mississippi*. The river in Twain’s descriptions is a bewitching mixture of beauty and power, seductive calms and treacherous shoals,

pleasure and terror, an image of the societies it touches and transports. Each of these works is filled with comic and melodramatic adventure, with horseplay and poetic evocations of scenery, and with characters who have become central to American mythology—not only *Tom Sawyer* and *Huck Finn*, but also *Roxy*, the mulatto slave in *Puddin’head Wilson*, one of the most telling portraits of a woman in American fiction. With each book there is evidence of a growing bafflement and despair, until with *Puddin’head Wilson*, high jinks and games, far from disguising the terrible cost of

slavery, become instead its macabre evidence. Through each of four works, too, runs the Mississippi, the river that T. S. Eliot, echoing Twain, was to call the “strong brown god.” For Twain, the river represented the complex and often contradictory possibilities in his own and his nation’s life. The Mississippi marks the place where civilization, moving west with its comforts and proprieties, discovers and contends with the rough realities, violence, chicaneries, and promise of freedom on the frontier. It is the place, too, where the currents Mark Twain learned to navigate as a pilot—an experience recounted

---

in Life on the Mississippi—move inexorably into the Deep South, so that the innocence of joyful play and boyhood along its shores eventually confronts the grim reality of slavery. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium

acid-free paper that will last for centuries. Adventures of Huckleberry Finn Thrift Study Edition Sovereign 'I am a person who would quit authorizing in a minute to go to piloting,' Mark Twain once remarked. 'I would rather sink a steamboat than eat, any time.' And in 1882, Twain did just that: he returned to the river of his youth as a mature writer determined to expand seven articles which he had serialized in *The Atlantic Monthly* in 1875 into the definitive travelogue on the great Mississippi. Although *Life on the Mississippi* was not commercially successful when

first published in May 1883, it is the work that Twain later claimed was the favorite among his books. Twain's rich portrait of the Mississippi also marks a distinctive transition in the life of the nation, from the boom years preceding the Civil War to the sober times that followed. Yet it is infused with the irreverent humor that was his trademark. 'Mark Twain was the first writer who ever used the American vernacular at the level of art,' said Bernard de Voto. 'He had a greater effect than any other writer on the evolution of American prose.' *Adventures of Huckleberry Finn Annotated* Independently

Watermill Press

It is told in the main individual by Huckleberry "Huck" Finn, the storyteller of two other Twain books (Tom Sawyer Abroad and Tom Sawyer, Detective) and a companion of Tom

---

Sawyer. It is an immediate spin-off of The Adventures of Tom Sawyer. The book is noted for its bright depiction of individuals and spots along the Mississippi River.

**The Adventures of Tom Sawyer Annotated** Library of America

The Adventures of Tom Sawyer, by Mark Twain, is a popular 1876 novel about a young boy growing up in the antebellum South on the Mississippi River in the fictional town of St. Petersburg, Missouri.

Mark Twain: Mississippi Writings - Tom Sawyer, Life on the Mississippi,

Huckleberry Finn,  
Pudd'nhead Wilson (Classic Illustrated Edition) National Geographic Books  
Adventures of Huckleberry Finn is essential to the understanding of the American soul. The recent discovery of the first half of Twain's manuscript, long thought lost, made front-page news. And this unprecedented edition, which contains for the first time omitted episodes and other variations present in the first half of the handwritten manuscript, as well as facsimile

reproductions of thirty manuscript pages, is indispensable to a full understanding of Adventures of Huckleberry Finn. The changes, deletions, and additions that Mark Twain made in the first half of the original manuscript (changes that are larger and more numerous and significant than those he made in the second half) indicate that he frequently checked his impulse to write an even darker, more confrontational work than the book he finally published. He deleted an episode in which whites at a

---

religious camp meeting try to avoid the embraces of a black slave woman - a woman who may think, mistakenly, that she has just been freed. And even in its smallest variations - such as the consistent alteration of vicious rawhide whippings to ordinary cowhide whippings - the original manuscript demonstrates the skill, the restraint, and the constraints that affected Mark Twain's creative process.

The Adventures of Tom Sawyer (Special Edition)

Palazzo Editions

\* Beautifully illustrated with delightful illustrations from

early editions, these are four of the most famous and characteristic of Mark Twain's works in one superb volume.\* Through each of them runs the powerful and majestic Mississippi. The river represented for Twain the complex and contradictory possibilities in his own and the nation's life: the place where civilization's comforts meet the violence and promise of freedom of the frontier. It was the place, too, where Twain's youthful innocence confronted the grim reality of slavery. The nostalgic re-creation of childhood in "Tom Sawyer"--"simply a hymn put into prose form to give it a

worldly air," said Twain--and the richly anecdotal memoir of his days as a riverboat pilot in "Life on the Mississippi" give way to the realism and often dark comedy of "Huckleberry Finn" and the troubled exploration of slavery in his mystery, "Pudd'nhead Wilson." Together, these four books trace the central trajectory of his life and career, and they can be read as a single masterpiece.\* Just as accessible and enjoyable for today's readers as they would have been when first published, the novels are some of the great works of American literature and continue to be widely read throughout the

---

world.\* This meticulous edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images carefully selected by our team of professional editors.
