Huckleberry Finn describes the Mississippi River in early summer, right after he and Jim have escaped to Jackson Island. Twain portrays the river as a powerful natural force that constantly changes the landscape along its banks. The river also serves as a political boundary between Missouri, a slave state, and Illinois, a free state.

Though Daniella was born in New York and has lived in a couple of other states, Mississippi has been her home for the past 25 years. After graduating from the University of Southern Mississippi, Daniella began to hone her writing skills through various internships, working for The Royal Obsession and Anatomie clothing.
