Musicarta's  
Pyramids  
Variations teaches

---

an easy hand position for playing chords at the keyboard, and progresses through an eight-stage build-up to an impressive Concert Performance. Along the way you learn the basics of music theory, while a free download of audio-visual learning support material (requires Internet access) ensures that everyone keeps up, regardless of music-reading ability. The second half of the book teaches a set of variations which explore the musical potential of the Pyramids chord sequence. Playing these variations gives the pupil hands-on experience of what the improvising

musician actually does, as well as insight into the theory which underpins the improviser's creative freedom. This Pyramids Variations volume, together with the Musicarta website and the Mister Musicarta YouTube channel, offers methodical support for your creative journey. Teachers can use it as a supplement to exam-syllabus lessons, while self-directing pianists of all ages and stages will find in it a fast-track to performances beyond their expectations and a gentle, step-by-step introduction to creative keyboard work. Note that the CreateSpace/Amazon print version of

the Pyramids Variations does not include the audio and MIDI files for all the examples in the workbook. These files (which ship with the digital download version) are available as an optional extra from Musicarta at a cost of \$4.95.

Wylie's friendship with her brother Aurelio, a budding painter of singular talent, brings him near Cesca's circle. A young woman confident in her charms, Cesca is amused by Wylie's youthful sensuality and trusting innocence. Toying with his devotion, she draws him closer to her fire—and ultimately ruining him for any other woman. Wylie goes willingly whenever Cesca

so tantalizingly reappears in his life, despite the emotional chaos left in her wake. Long ago, Wylie's father warned him about the Bonets. "They're beautiful, talented, rich. It's all very seductive. But they'll take everything and give nothing in return." One day Wylie will make an unexpected choice—a decision that will haunt him and echo through their lives. Spanning several decades, moving through the worlds of high society and art, and peopled with poignant characters, *Girl in the Moonlight* takes us from the wooded cottages

of the Hamptons to the dining rooms of Upper East Side Manhattan to the glamorous nightlife of Paris and Barcelona. As he vividly brings to life Wylie and Cesca's tempestuous, heart-wrenching affair, Charles Dubow probes the devastating depths of misguided passion and the nature of true love.

women who discover that the scandalous books of their past may just be the key to saving their family's future. For decades, the Hollander Estates winery has been the premier destination for lavish parties and romantic day trips on the North Fork of Long Island. But behind the lush vineyards and majestic estate house, the Hollander family fortunes have suffered and the threat of a sale brings

old wounds to the surface. For matriarch Vivian, she fears that this summer season could be their last—and that selling their winery to strangers could expose a dark secret she's harbored for decades. Meanwhile, her daughter, Leah, who was turned away from the business years ago, finds her marriage at a crossroads and returns home for a sorely needed escape. And granddaughter

Sadie, grappling with a crisis of her own, runs to the vineyard looking for inspiration. But when Sadie uncovers journals from Vivian's old book club dedicated to scandalous novels of decades past, she realizes that this might be the distraction they all need. Reviving the "trashy" book club, the Hollander women find that the stories hold the key to their fight not

A disillusioned immigrant grad student and her matchmaking mom return to the country they left behind in this heartwarming debut novel.

Darya has discovered the perfect gift for her daughter's twenty-fifth birthday: an ideal husband. Mina, however, is fed up with her mother's endless matchmaking and grading of available Iranian American bachelors. After

Darya's last ill-fated attempt to find Mina a husband, mother and daughter embark on a journey to Iran, where the two women gradually begin to understand each other. But after Mina falls for a young man who never appeared on her mother's spreadsheets and Darya is tempted by an American musician, will this mother and daughter's tender appreciation for each other survive?
