 unnecessary risks.
 Her mental

 something like this:
 1) Meet soulmate:

 commitment:
 DONE! 3)
 Marriage: TO

 sure which college

 a strong political

since her perfect boyfriend, Simon, plans to "save the country," as his sister puts it, "and the planet and everything." Zoe will follow along, the perfect serious, supportive girlfriend. It's good to have her love life resolved, checked off, done. But speaking of unnecessary risks, Zoe's on a plane to Atlanta, sneaking off to Dragon Con for the second season premiere of Bleeders . The show is subject to her boyfriend's lofty scorn, but Zoe is nothing like these colorful hordes "wearing their inside on their outside." Once her flirtation

with fandom is over, she will get back to the important business of planning a future with Simon. The trouble is, right now, Bleeders --and her fellow "Bloodygits"--may just mean the world to her. Will a single night of nerdery be enough?
