Most L200 pickups of this
generation carry a 2.5-liter
turbodiesel engine under
the hood, but a decent
chunk of them can also be
found with Mitsubishi's
2.4-liter four-cylinder
gasoline engine. In Japan,
the only engine available in
the Triton was a 3.5-liter V6
with 186 horsepower. The
V6 is a rare sight in markets
outside of Japan.
