“Tak ada maknanya aku nak kahwin bagai. Selagi tak ada perempuan yang berjaya membuat tempat ni bergetar, tak ada makna aku nak kahwin.” Kata Faeq sambil menunjuk ke arah dadanya. “Pigi dah! Banyak kau punya bergetar, Paet! Meh aku ketuk dada kau tu dengan tukul, kita tengok itu tukul ada kasi getar itu dada atau tak!” “I akan terus berusaha untuk menggetarkan jantung you, Yuna. Kalau perlu guna vibrate handphone untuk menggetarkan jantung you tu pun I sanggup.” “I tak buta, Khai. I nampak keikhlasan you. Tapi, Khai... hati ni

langsung tak bergetar apabila nampak you. I sendiri tak tahu kenapa.”

Investment Specialties Guide Xlibris Corporation
It starts out with a protagonist a Philadelphia detective who is assigned to investigate the murder of a rich business woman. He is a veteran of twenty years as a detective and is considered very good at his job. During the course of his investigation he interviews a person of interest who is the vice president of the victims company. He interviews her for a second time and there starts a romantic connection between the two. The antagonist in this book is a Russian operative named Jason who is tasked to acquire secrets from a high level American diplomat. The romantic interest in this novel name is Susan Conway and she is the vice president of the Sykes Empire. Cynthia Sykes is the victim in this novel.

This book offers a unique introduction to the study of shells and molluscs for all those who take pleasure in shells, the treasure of the sea. However, unlike other shell albums, compendiums or guides, the central focus of this book is on shells and not molluscs. Therefore, in addition to the classification and identification of shells, the book also addresses aspects including the shell art and shell craft of Goa, the importance of shells, and literary works related to shells and their writers. The book also describes various shell habitats of Goa. The primary objective of this book is to introduce readers to the concept of shell heritage and to spark curiosity and scientific interest, not just among conchologists but also local and visiting beachgoers. Accordingly, it primarily uses straightforward, non-technical language. The book will also appeal to those readers without any previous knowledge of the subject, helping them to understand and appreciate the shells that they collect from the seashores of Goa.

Oman A "Spy" Guide - Strategic Information and Developments
Editor & Publisher Market Guide 2004 Irwin Professional Publishing

Sub-Saharan Africa is on the verge of an energy boom. New discoveries off the East and West coasts have raised hopes of significant revenues that can accelerate poverty reduction and enhance Africa's status as a destination for industrial investment. The question that African governments, citizens, and international partners confront is whether this time will—or can—be different. Can the harsh lessons offered by Africa's more established producers and the continent's previous energy booms be learned?

Greenstreet and Back is an amazing, humorous autobiography that follows a journey from, a near death experience, to an incredible passage of self acceptance and realisation. The true story of painful rehabilitation dips into the black humour of facing your own mortality and the acceptance that the life once known was now a thing of the past. The book is a chronicle of courage and fortitude that shows with determination any obstacle can be overcome. Francis begins a pilgrimage to learn about his new life that

eventually takes him to the other side of the world to exotic South East Asia. His hilarious encounters along the way happen mostly by chance and very unexpectedly. From a near molestation by a dancing Ladyboy in Northern Thailand to a "run in" with gun tooting bandits in Cambodia, the quest gets ever more bizarre and farcical. Eventually Francis experiences an epiphany but fate has one more harsh and cruel card to play towards the end of his odyssey.
