The Bondage Breaker Study Guide Gale, Cengage Learning

This Guide reads the Gospel of Mark as a 1st-century CE story about Jesus, for his followers, and against tyranny or the abusive use of power. First, the book shows students how the Gospel uses the form of a traditional laudatory biography (a 'Life') to reshape the memory of the shame-ridden trials and suffering of Jesus. Such a biography portrayed Jesus' descent (as a son of God), his deeds, and his heroic death, dispelling any notion that the teacher Jesus was a charlatan or huckster. Second, Smith demonstrates how the Gospel devotes a great deal of space to Jesus' training of his disciples - as he calls, commissions, and corrects them in preparation for the difficult moments of their journey. Third, Smith highlights the Gospel's special characterizations of Jesus - as a prophetic envoy, a man of authority, and a philosophical hero - contrasting Jesus' use of power with the abusive use of power by Rome's representatives (Herod Antipas and Pilate). The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program.
