Mark's gospel has an urgency to it that's hard to ignore. It's as if he is breathless, trying

to get the information out as quickly as he can. A few decades have passed since Jesus' ministry, and with persecution intensifying, some believers were tempted to compromise or simply give up on being a follower of the Messiah. So, Mark needed to take the early Christians back to the basics and get them ready to move! In this six-session study (DVD/video streaming not included), pastor Jeff Manion takes you and your group through the gospel of Mark to answer such urgent questions about the Christian faith as: Who is this Jesus? What does he

expect of me? Is suffering a normal part of the Christian life? What will encourage and strengthen my trust in Jesus? These questions are not born of a lack of faith but serve to strengthen and stabilize our relationship with the Savior. So, lace up your running shoes. Open your heart and mind. And come with your questions! Get ready to move as Mark's Gospel reveals what it means to follow Jesus. 40 Days Through the Book series: Each of the studies in this series, taught by a different pastor or Bible teacher on a specific book of the Bible, is designed to help you more

actively engage with God's Word by understanding its background and culture and applying it in a fresh way to your life. Throughout each study, you'll be encouraged to read through the corresponding book in the New Testament at least once during the course of 40 days. Designed for use with the Mark: In the Company of Christ Video Study available on DVD or streaming video, sold separately. [A Study Guide for Mark Strand's "The Continuous Life"](#) Createspace Independent Publishing Platform This lively, engaging

introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources.

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The

statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with

that firearm..
