It is the year Universal Century 0079, in a space colony the Earth Federation is storing and testing a new piloted robot for use in the battle against the Principality of Zeon. The experimental RX-78 Gundam mobile suit is scheduled to be transported to Federation command in Jaburo, deep within the Brazilian jungles. Unfortunatley, before the transporter would arrive, the Federation would come under attack from Zeon. With few resources available against the Zeon's most mobile mechs, Federation forces strike back using their new weapon, the mobile suit Gundam. Caught in the crossfire is a young teen named Amuro Ray. Not willing to see innocent people die like this, Amuro crawls into the cockpit of the closest machine around him. Whether it be a tank, jeep or jet, he was going to use it to help stop this slaughter. And what he happened to slide into was another Gundam. Having never operated a machine like this, what are the chances he can do anything to repel an experienced squad of mech-piloting invaders?

**Bringing The Farm To Live In Another World** summary: Bringing the Farm to Live in Another World is composed of a series of chapters where a man awakens in an unfamiliar place. He quickly notices that his life is not as it should be, and his main mission is to change the behavior and try to rebuild broken things. However, his body does not function normally, so he encounters different problems on his way. That can be truly challenging but very rewarding at the same time because he has a chance to fulfill life while discovering the real purpose of existence. At first, the man starts re-developing his family, and he also personally grows together with that effort. That's a very good chance for the entire place where he found himself at the beginning of the book. The family has better chances to make something valuable and significant on the land, while the single man is quite limited in different aspects of life. His mission slowly becomes an epic journey and a very interesting story. The new place, however, seems strange to him so he struggles a lot to adapt to the new environment. To overcome various problems with his body, he is taking different types of drugs on a regular basis. The drugs provide some benefits because he can operate with his body better while on the treatment. However, such medication also has negative sides, so the situation is not ideal at all. The man still has one supernatural power despite all the problems he faces in the new places. He is capable to enter another world, which is, in fact, a farming simulation game. It does not seem useful at first. However, he can find normal food in that strange world. And it can be used elsewhere, even in the regular world. That still does not seem like a big deal, but he is stuck in an unfamiliar place, and the food is of precious value to him. He can survive without problems thanks to that supernatural ability because he always has enough food to eat well. That's why this cheat is so valuable to him. He also finds out about other happenings in strange places. There are other inhabitants near him, and their communities are full of different intrigues, businesses, fights, farming and other events. The man has the possibility to slowly discovers the new places, but various problems are inevitable in his case. He will also have a chance to get involved in those happenings of other inhabitants, and you can find out many other details if you decide to read this novel. Like many other online books on this website, Bringing the Farm to Live in Another World is constantly growing and the updates arrive almost on a daily basis. So there is always something new even for the most faithful readers. So if you are a fan of such mixed genres, you should not miss the opportunity to read this great book

Mobile Suit Gundam WING 8 National Geographic Books

Years before the White Base landed on Earth, the seeds of war were planted in a space colony called Side-3. Here the Munzo Empire's great philosopher Chairman Zeon Deikun would prepare a declaration before an assembly of senators, but before finishing his speech would fall victim to a sudden attack on the parliament's dais. Almost instantly, on the streets, the masses have risen calling for independence and have set protests in front of Earth Federation headquarters on Side-3. The calls for Earthnoids to return to their planet eventually would push the Federation to take up arms hoping to combat these riots. The hostilities pit men versus tanks on the streets of this colony and appear to not be letting up. Meanwhile, Deikun's family, including his children Artesia and Casval, are soon taken into hiding by a Zeon loyalist—Ramba Ral.
