This book is a collection of fictional anecdotes referring to my time spent at the National Defence Academy, the Indian Navy and post retirement from the Navy. The anecdotes are not contiguous. Therefore, they can be read in any order. I would also like to mention that I've used hyperbole extensively to accentuate humour. So, if you're looking for historical accuracy, truths and correctness, or are trying to figure out who the characters in the anecdotes could be,

then this book is not meant for you. Spare yourself the torture of reading it and spoiling your day! I've tried, as far as possible, to avoid personalities and names of actual people, except in cases where they have permitted me to do so.
