Larsen's Advanced Accounting provides complete and in-depth coverage of the topics typically taught in a one- or two- semester advanced accounting course. Faculty appreciate the current coverage of FASB and GASB regulations, the wealth of thorough end-of-chapter material, and the in-depth coverage. This flexible text is designed modularly; each part is self contained which allows instructors to only cover chapters that are appropriate for their class.

The definitive report on what caused America's economic meltdown and who was responsibleThe financial and economic crisis has touched the lives of millions of Americans who have lost their jobs and their homes, but many have little understanding of how it happened. Now, in this very accessible report, readers can get the facts. Formed in May 2009, the Financial Crisis Inquiry Commission (FCIC) is a panel of 10 commissioners with experience in business, regulations, economics, and housing, chosen by Congress to explain what happened and why it happened. This panel has had subpoena power that enabled them to interview people and examine documents that no reporter had access to. The FCIC has reviewed millions of pages of documents, and interviewed more than 600 leaders, experts, and participants in the financial markets and government regulatory agencies, as well as individuals and businesses affected by the crisis. In the tradition of The 9/11 Commission Report, "The Financial Crisis Inquiry Report" will be a comprehensive book for the lay reader, complete with a glossary, charts, and easy-to-read diagrams, and a timeline that includes important events. It will be read by policy makers, corporate executives, regulators, government agencies, and the American people.

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

The emphasis of Managerial Accounting, 9th edition is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. Known for balanced examples of Service, Retail, Nonprofit and Manufacturing companies, Hilton offers a clear, engaging writing style that has been praised by instructors and students alike. As in previous editions, there is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting and performance evaluation.

Advanced Accounting delivers an in-depth, comprehensive introduction to advanced accounting theory and application, using actual business examples and relevant news stories to demonstrate how core principles translate into real-world business scenarios. Clearly defined and logically organized Learning Objectives aid in student comprehension, while highlighted Related Concepts illustrate how individual concepts fit into the larger picture. Short answer questions throughout the chapter allow students to test their knowledge before reaching the more in-depth end-of-chapter questions, promoting a deeper understanding of both technical and conceptual aspects of the field. Written by active accounting researchers, this text brings clarity and flexibility to the central ideas underlying business combinations, consolidated financial statements, foreign currency

transactions, partnerships, non-profit accounting and more. This new Seventh Edition has been updated to reflect the latest changes to FASB and GASB standards, allowing students to build a skill set based on up-to-date practices. With a student-oriented pedagogy designed to enhance comprehension, promote engagement, and build real-world understanding, this user-friendly book provides an essential foundation in current advanced accounting methods and standards.

[The Goal Irwin/McGraw-Hill](#)

Modern Advanced Accounting in Canada continues the approach that made it the best selling advanced financial accounting text in Canada. This includes the complete & comprehensive coverage of business combinations, the preparation of consolidated financial statements, the consolidation of joint ventures and foreign subsidiaries, and push-down accounting. Consolidation coverage continues to emphasize the direct approach accompanied by a "building block" development of the consolidation basics. Coverage of unrelated topics - bankruptcy and receivership, partnerships, and accounting for not-for-profit organizations - has also been maintained.
