the noise and stress of the modern world? What is the process of discerning God's will? Best-selling author and popular EWTN host Fr. Mitch Pacwa, SJ, tackles these and other questions in this comprehensive book on discernment. He says that first we need to believe in God and his moral laws and make a commitment to please him in all that we do. Then we need to pray so that we can experience the peace that can come only from God. Fr. Pacwa draws from St. Ignatius' Spiritual

Exercises, using plenty of everyday examples as well as stories from Scripture to help clarify his points. He encourages readers to develop a rich prayer life and says we can learn to listen to God's powerful voice and hear him speaking lovingly to us even when we are suffering in some way. Confronts modern-day assumptions that can prevent us from being open to God's will for our lives. Emphasizes the many ways we can develop our prayer life to nourish an authentic

relationship with the Lord. Within these pages, authors David and Bernard Frank explain the meanings of the runes, and explore their use in healing and meditation. David and Bernard help guide you to build your own spiritual connection to the Norse gods and goddesses,
