They call him Beast because he fights and f*cks like one. Because he's built like the tanks he rode in Afghanistan. Beneath Conrad "Beast" Beeston III's fierce, intense gaze, his brooding temperament, his knuckles scarred from fighting, lurks a wild man, his strong, broad back darkly inked with his own hard truths. He only has one mode, and "Beast" is it. He ripped through Tilly's life, tearing it to shreds, and then he was gone, giving a stiff middle finger to a life of entitlement. He left her like he leaves them all-with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret she's been forced to keep for years. Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? Now he's coming home-and she's forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the

monster who left her. Forced to confront him, what she sees is a raw, broken, tortured man who just might be the only person she knows keeping even bigger secrets than she is. Worse, she still wants him. Even if it means breaking everything in her life wide open-even if it means unleashing the Beast.

A BRAND NEW Modern Wicked Fairy Tales series from Selena Kitt! In this modern version of the fairy tale classic, Pinocchio, marine Levi Woodyer--known as "Woody" to his special ops team--is on a medical discharge, a man with a haunted past, a painful present and an uncertain future. His father watches, powerless to help his son, as Levi slips further between the cracks, and troubled Levi doesn't seem to be

too interested in helping himself. But when his father's simple bribe finally gets Levi out of the house to a physical therapy appointment, his encounter with former high school sweetheart, Linnea Fey, just might put him on the path to wholeness again. EXCERPT: "Linney." He sighed, shrugging his jacket on. She was a tall girl, and when her chin was set high and defiant like that, she seemed even taller. He was six feet tall and she almost met him eye to eye. "I told you--hope is the enemy." "No, Levi." Her hand on his upper arm, the tattoo of a cricket underneath. She stopped him, disarmed him in a way no one had in years. "You're the enemy. You were always your own worst enemy." He couldn't deny that. "I have to go." "I want to see you again," she urged, stepped between him and the exit, standing on tiptoes so they were, indeed, eye to eye. "I told you..." He sighed, reaching around her for the doorknob. "I can come to you." She leaned back against the door, keeping it closed. "Linney..." They were close now, closer than they'd been. Close enough he could have closed that gap and kissed her like he used to, ending whatever argument had been about to erupt. "I want to." She pressed her fingers to his lips, quieting whatever words he'd been about to say. It clearly crossed the line from professional to personal but he was still stuck on the words I want to half-whispered from those glistening pink lips. He felt the press of her fingers but imagined her lips, the sweet surrender of her mouth under his. "My number's on that slip of paper," she whispered. "Call me if you want me." Not "call me for an appointment," or "call if you want to see me," but "call me if you want me." And he did want her. More than he was ready to admit and

certainly more than he had any right to. -----

In her attempt to escape her sisters' Valentine matchmaking, Annie meets the enigmatic Eric, who she realizes could finally be the man of her dreams. In spite of, or maybe because of, Eric's cryptic words and puzzling behavior, she finds herself immediately intrigued and drawn to him like no other man she's ever met. One night in Annie's

sister's kitchen seals their fate, as the two lovers discover and explore the instant spark of heat between them.

Their evening comes to an abrupt end when the mysterious Eric disappears into the night, and Annie realizes she doesn't know his last name! How is she to find him? After months of fruitless searching, Annie finally gets a dubious break when she meets Eric's eccentric mother. Dita sends Annie on a journey deep into the unknown, through an ever-twisting labyrinth of frustrating dead-ends and seemingly strange, pointless missions. Annie's life is turned upside down as she searches for the one man who can make her life feel complete. Told in the spirit of magical realism, this modern day adaptation of

the Greek myth of Eros and Psyche takes Annie on each of Psyche's tasks in her quest for her lost love. Each task brings her closer to him and to realizations about herself. Will Annie find Eric and reveal to him the secret she's been keeping, even from her sisters? Warnings: This title contains erotic situations, graphic language, and sex – a fun, modern day magical-realism retelling of the Psyche and Eros myth that will leave you mythtified yet satisfied. EXCERPT: “ Can we stop talking? ” she whispered, leaning back and turning her face so her cheek rested against his. “ I don't remember ever feeling this good. ” “ Do you want to just see what happens? ” he asked, his fingers trailing down her chin, her throat. “ No. I want to be what happens. ” His mouth found hers in the darkness, a slow journey from a mislaid kiss against her ear, a wet trail over her cheek leading to her open and anticipating lips. He kissed her like she was a secret he was keeping—something precious and tender and worth protecting. Annie hesitated, waiting for him to stop her as her hand curled back to touch his cheek, expecting to find thick scars or warped flesh, but to her surprise, his skin was smooth and unmarred. She slithered her arm around his neck, slanting her mouth across his and teasing his lips with her tongue. His fingers fumbled with her buttons and she helped him, exposing her skin to the cool kitchen

air. Kitchens were always so damned cold when there was no cooking going on. She suspected it was the tile, but regardless, her nipples responded immediately to the temperature change. The angle of the kiss was awkward, but she was afraid to move and break their connection. His hand drifted over the soft material of her bra, and she was glad she had worn something with a definite texture, silky and light. Annie believed she heard voices coming closer to the door and she pulled quickly away, listening intently. The conversation was muffled and unintelligible, but after a few moments, she clearly heard her sister say, “ In the kitchen. ” She looked at Eric, trying to keep her breath from

being fast and audible. “ Maybe we should go somewhere? ” she whispered, ducking her head and moving to her hands and knees to crawl out from under the table. He grabbed her hips and she gasped, looking back at him as he held fast. “ No, we can stay here, ” he insisted, sliding his hands up her bare thighs. “ Are you sure? ” “ Live dangerously. ” His hands roamed over ass as he lifted her skirt. “ What color are these panties? ” He probed her crevice through the thin material and she wiggled and sighed, arching her back. “ Black, ” she whispered as he pushed her panties aside.

In this modern version of the fairy tale classic, who wouldn't want to marry a rock star? That's what Petra told herself when she agreed to fly from Minsk to Los Angeles—a

mail-order bride to the lead singer of surprise at his touch. “ You did? Bluebeard, one of the most popular American rock bands of the twentieth century. The question really was—why would a rock star want to marry her? Find out in this modern take on the Bluebeard fairy tale by Selena Kitt! EXCERPT: Blue leaned in close, whispering into her ear. “ Guess what? ” “ What? ” She looked up at him, inquisitive, his presence making her already racing heart skip beats, fighting the urge to put her arms around him. “ I gave Max and Mrs. Ribya the day off. ” Blue slipped his arms around her waist, lifting her, breathing in her scent. She gasped, crying out in

Why? ” “ Because you ’ ve been a very, very bad girl. ” He nuzzled her neck, his hands moving lower, oh god, grabbing her ass, lifting her higher! “ And you need to be punished. ” “ Blue! ” She cried out as he squatted down, easily hefting her over his shoulder. She squealed all the way down the hall, wiggling on his arms. “ What are you doing? Put me down? Milyi! ” The poor little pug was only one left in the house she could call for help! “ He ’ s locked in your room, remember? ” Blue smacked her ass—hard! “ By the way, he dropped the key under the dining room table. ” “ How did you...? ” But

of course he knew. Her heart sank. The cameras. They were everywhere. And Max. Had he been watching? Oh god, he would have told Blue everything. “ Please, put me down. Let me explain. ” “ Stop talking. ” SLAP She cried out again. He was angry—an emotion she didn’t often see in him. She could tell by the way he strode down the hall, her body bouncing as he carried her down the stairs. “ I ’ m going to give you one more chance to do as I say. ” One more chance. She took a deep breath, closing her eyes, praying he was taking her to his bedroom. Oh, god, his unlocked bedroom. He knew she ’ d been in there too. And were there cameras...? No! “ You ’ re familiar with this room, aren ’ t you? ” Her eyes flew open as she twisted, trying to see. He strode through the carved door, slamming it hard behind him. Was this it, then? Would she be one of those mail-order brides murdered by their American husbands? “ Blue, please, ” she begged. My god, he ’ d her carried across the whole house, down a flight of stairs, and he hadn ’ t even broken a sweat! Then he was opening the second the door, the one she hadn ’ t unlocked. He didn ’ t use a key. She saw it all upside down, making it even more surreal.

There was a bed in the corner, similar to the one in his room, a four-poster. Over the bed there were decorations on the wall, things reminiscent of his concert days—floggers, crops, ball-gags, handcuffs. Then he was sitting, putting her upright in front of him, pulling her into his lap. Her head swam and she clung to him, so surprised by his nearness, the way he grabbed her, touched her, after months of so much distance between them. “Where are we?” she whispered, wanting to look around more, but unable to take her eyes off his. They were dark, animalistic—and angry. She wiggled

in his lap and he grabbed her hips, growling low in his throat. “Hold still,” he hissed. “Don’t make me tear this dress off you.” The blood drained from her face, heading straight between her thighs.
