Although readers and filmgoers are strongly familiar with Disney’s sanitized child-centric fairy tales, they are quick to catch on to reworkings of classic tales into a contemporary context. The rise in such retellings seems to indicate that readers are hungry for a new narrative, one that harkens back to the old yet moves the storyline forward to reflect conditions of the modern world. No mere escapist fantasies, the reimaged fairy tales of the late 20th and early 21st centuries reflect social, political and cultural truths. Sixteen essays consider fairy tales recreated through short stories, novels, poetry, and the graphic novel from both best-selling and lesser-known writers, applying a variety of perspectives, including postmodernism, psychoanalysis, Marxism, feminism, queer theory and gender studies. Along with the classic fairy tales, fiction from writers such as Neil Gaiman (Stardust) and

Gregory Macquire (Wicked) is covered.

Do you love fairy tales? Then don't miss these happily ever afters! A BRAND NEW Modern Wicked Fairy Tales series from Selena Kitt! In this modern version of the fairy tale classic, who wouldn't want to marry a rock star? That's what Petra told herself when she agreed to fly from Minsk to Los Angeles—a mail-order bride to the lead singer of Bluebeard, one of the most popular American rock bands of the twentieth century. The question really was—why would a rock star want to marry her? Find out in this modern take on the Bluebeard fairy tale by Selena Kitt! EXCERPT: Blue leaned in close, whispering into her ear. “Guess what?” “What?” She looked up at him, inquisitive, his presence making her already racing heart skip beats, fighting the urge to put her arms around him. “I gave Max and Mrs. Ribya the day off.” Blue slipped his arms around her waist, lifting her, breathing in her scent. She gasped, crying out

in surprise at his touch. “You did? Why?” “Because you’ve been a very, very bad girl.” He nuzzled her neck, his hands moving lower, oh god, grabbing her ass, lifting her higher! “And you need to be punished.” “Blue!” She cried out as he squatted down, easily hefting her over his shoulder. She squealed all the way down the hall, wiggling on his arms. “What are you doing? Put me down? Milyi!” The poor little pug was only one left in the house she could call for help! “He’s locked in your room, remember?” Blue smacked her ass—hard! “By the way, he dropped the key under the dining room table.” “How did you...?” But of course he knew. Her heart sank. The cameras. They were everywhere. And Max. Had he been watching? Oh god, he would have told Blue everything. “Please, put me down. Let me explain.” “Stop talking.” SLAP She cried out again. He was angry—an emotion she didn’t often see in him. She could tell by the way he strode down the hall, her body bouncing as he carried her down the stairs. “I’m

going to give you one more chance to do as I say.” One more chance. She took a deep breath, closing her eyes, praying he was taking her to his bedroom. Oh, god, his unlocked bedroom. He knew she’d been in there too. And were there cameras...? No! “You’re familiar with this room, aren’t you?” Her eyes flew open as she twisted, trying to see. He strode through the carved door, slamming it hard behind him. Was this it, then? Would she be one of those mail-order brides murdered by their American husbands? “Blue, please,” she begged. My god, he’d carried her across the whole house, down a flight of stairs, and he hadn’t even broken a sweat! Then he was opening the second the door, the one she hadn’t unlocked. He didn’t use a key. She saw it all upside down, making it even more surreal. There was a bed in the corner, similar to the one in his room, a four-poster. Over the bed there were decorations on the wall, things reminiscent of his concert days—floggers, crops, ball-gags, handcuffs. Then he was sitting, putting her upright in front of

him, pulling her into his lap. Her head swam and she clung to him, so surprised by his nearness, the way he grabbed her, touched her, after months of so much distance between them. “Where are we?” she whispered, wanting to look around more, but unable to take her eyes off his. They were dark, animalistic—and angry. She wiggled in his lap and he grabbed her hips, growling low in his throat. “Hold still,” he hissed. “Don’t make me tear this dress off you.” The blood drained from her face, heading straight between her thighs. From wicked queens, beautiful princesses, elves, monsters, and goblins to giants, glass slippers, poisoned apples, magic keys, and

mirrors, the characters and images of fairy tales have cast a spell over readers and audiences, both adults and children, for centuries. These fantastic stories have travelled across cultural borders, and been passed on from generation to generation, ever-changing, renewed with each re-telling. Few forms of literature have greater power to enchant us and rekindle our imagination than a fairy tale. But what is a fairy tale? Where do they come from and what do they mean? What do they try and communicate to us about morality, sexuality, and society? The range of fairy tales stretches across great distances and time; their history is entangled with folklore and myth, and their inspiration draws on ideas about nature and the supernatural, imagination and fantasy, psychoanalysis, and feminism. Marina Warner has loved fairy tales over a long writing life,

and she explores here a multitude of tales through the ages, their different manifestations on the page, the stage, and the screen. From the phenomenal rise of Victorian and Edwardian literature to contemporary children's stories, Warner unfolds a glittering array of examples, from classics such as Red Riding Hood, Cinderella, and The Sleeping Beauty, the Grimm Brothers' Hansel and Gretel, and Hans Andersen's The Little Mermaid, to modern-day realizations including Walt Disney's Snow White and gothic interpretations such as Pan's Labyrinth. In ten succinct chapters, Marina Warner digs into a rich hoard of fairy tales in their brilliant and fantastical variations, in order to define a genre and evaluate a literary form that keeps shifting through time and history. Her book makes a persuasive case for fairy tale as a crucial repository of human understanding

and culture.

Do you love fairy tales? Then don't miss these happily ever afters! In this modern retelling of a fairy tale classic, former beauty queen Jolee Mercier finds herself in big trouble, locked in the trunk of her husband's BMW on her way to a remote location in the woods of northern Michigan where she's going to be killed. Her crime? Knowing too much. An anonymous letter arrived addressed in her name with proof that her husband, Carlos, a state logging and mining mogul, had been the one responsible for her father's death years earlier, killed for supporting the unions at a local logging camp. When a terrible accident ends her husband's plan to kill her, Jolee wakes up

alone in a cabin in the middle of the woods, rescued by a masked man they call “the beast,” with a husband who wants her dead, and miles of state forest between her and civilization. EXCERPT: Jolee could never stay out of trouble for long and being locked in the trunk of Carl’s black BMW was no exception to that particular rule of her life. She’d given up trying to kick the side of the car to make noise—luxury car makers practically sound-proofed their trunks. Who knew? She wondered if engineers considered scenarios like this one—after all, any rich husband might have to enlist his hit men tie up and toss his troublesome wife into the trunk for easy disposal, right? Besides, her feet were secured with zip ties, as were her hands, which stretched painfully behind her back. They didn’t use duct tape—too easy to wiggle out of—except for the pieces over her mouth. And even those weren’t just slapped on—they’d used the roll to wrap the silver stuff around and around her mouth and jaw in layers. Carl’s guys knew exactly what they were doing. Of course they did. It was their job. There was just no way out of this bit of trouble. That realization finally hit her in the darkness, the car’s wheels crunching gravel for a long time now, off the highway she surmised, the suspension bouncing her violently up and down. This was going to be the last batch of trouble she ever got herself into in the whole expanse of a life that seemed suddenly very short. She’d been so focused on escaping or finding a way out since Carl’s goons had

grabbed her out back—zip-tied and duct taped before she could even raise the snow shovel she'd been using—that this final realization hit with such force Jolee actually wet herself, urine staining the crotch of her jeans with spreading navy blue darkness. She was going to die. Keywords: Alpha Male, Steamy Romance, Sex Stories, Erotic, Erotica, New Adult, Thriller Suspense, Fairy Tales, Fairy Tale Retelling

Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where

has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:“Peep!” The voice shook the room and the startled girl looked up as Mother came in. “Do you know where your sheep are now?”“No, Mother.” The girl looked up from her position, kneeling on the floor, her blue eyes wide. “I penned them before I left, I swear it.”Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. “You are a pretty little one,” Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. “Sometimes I think you're just playing dumb.”“No, Mother,” Peep implored, shaking her head. “I penned them, I promise you.”“Is that so?” Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. “Mother, please,” Peep pleaded. “I will go tend them, if you let me.”Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. “I think we need a little correction, don't you?” Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. “Please,” Peep

pleaded again, her eyes downcast. “I’ll be a good girl.” “Yes,” Mother murmured, coming to caress the her cheek with her soft hand. “You will.” Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. “No... this is good,” Mother said, tightening the sashes at the girl’s ankles, chuckling. “Turn around, Little Bo Peep, who’s lost her sheep, and doesn’t know where to find them.” Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother’s hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o’ nine tails over Peep’s behind like a little leather waterfall. “Peep’s little puss,” Mother whispered, parting the dark

blonde fuzz with her fingers to peer in at the pink treasure. “I love peeping at Peep’s little puss.” Mother giggled, wiggling her fingers through and finding the girl’s clit. “Oh, Mother!” Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

Prince Entangled: Indulgence

In her attempt to escape her sisters' Valentine matchmaking, Annie meets the enigmatic Eric, who she realizes could finally be the man of her dreams. In spite of, or maybe because of, Eric's cryptic words and puzzling behavior, she finds herself immediately intrigued and drawn to him like no other man she's ever met. One night in Annie's sister's kitchen seals their fate, as the two lovers discover and explore the instant spark of heat between them. Their evening comes to an abrupt end when the mysterious Eric disappears into the night, and Annie realizes she doesn't know his last name! How is she to find him? After months of fruitless searching, Annie finally gets a dubious break when she meets Eric's eccentric mother. Dita sends Annie on a journey deep into the unknown, through an ever-twisting labyrinth of frustrating dead-ends and seemingly strange, pointless missions. Annie's life is turned upside down as she searches for the one man who can make her life feel complete. Told in the spirit of magical realism, this modern day adaptation of the Greek myth of Eros and Psyche takes Annie on each of Psyche's tasks in her quest for her lost love. Each task brings her closer to him and to realizations about herself. Will Annie find Eric and reveal to him the secret she's been keeping, even from her sisters? Warnings: This title contains erotic situations, graphic language, and sex – a fun, modern day magical-realism retelling of the Psyche and Eros myth that will leave you mythtified yet satisfied. EXCERPT: “Can we stop talking?” she whispered, leaning back and turning her face so her cheek rested against his. “I don't remember ever feeling this good.” “Do you want to just see what happens?” he asked, his fingers trailing

down her chin, her throat. “No. I want to be what happens.” His mouth found hers in the darkness, a slow journey from a mislaid kiss against her ear, a wet trail over her cheek leading to her open and anticipating lips. He kissed her like she was a secret he was keeping—something precious and tender and worth protecting. Annie hesitated, waiting for him to stop her as her hand curled back to touch his cheek, expecting to find thick scars or warped flesh, but to her surprise, his skin was smooth and unmarred. She slithered her arm around his neck, slanting her mouth across his and teasing his lips with her tongue. His fingers fumbled with her buttons and she helped him, exposing her skin to the cool kitchen air. Kitchens were always so damned cold when there was no cooking going on. She suspected it was the tile, but regardless, her nipples responded immediately to the temperature change. The angle of the kiss was awkward, but she was afraid to move and break their connection. His hand drifted over the soft material of her bra, and she was glad she had worn something with a definite texture, silky and light. Annie believed she heard voices coming closer to the door and she pulled quickly away, listening intently. The conversation was muffled and unintelligible, but after a few moments, she clearly heard her sister say, “In the kitchen.” She looked at Eric, trying to keep her breath from being fast and audible. “Maybe we should go somewhere?” she whispered, ducking her head and moving to her hands and knees to crawl out from under the table. He grabbed her hips and she gasped, looking back at him as he held fast. “No, we can stay here,” he insisted, sliding his hands up her bare thighs. “Are you sure?” “Live

dangerously.” His hands roamed over ass as he lifted her skirt. “What color are these panties?” He probed her crevice through the thin material and she wiggled and sighed, arching her back. “Black,” she whispered as he pushed her panties aside.
