The Modern World Princeton Review

This resource book is designed to assist teachers in implementing California's history-social science framework at the 10th grade level. The models support implementation at the local level and may be used to plan topics and select resources for professional development and preservice education. This document provides a link between the framework's course descriptions and teachers' lesson plans by suggesting substantive resources and instructional strategies to be used in conjunction with textbooks and supplementary materials. The resource book is divided into eight units: (1) "Unresolved Problems of the Modern World"; (2) "Connecting with Past Learnings: The Rise of Democratic Ideas"; (3) "The Industrial Revolution"; (4) "The Rise of Imperialism and Colonialism: A Case Study of India"; (5) "World War I and Its Consequences"; (6) "Totalitarianism in the Modern World: Nazi Germany and Stalinist Russia"; (7) "World War II: Its Causes and Consequences"; and (8) "Nationalism in the Contemporary World." Each unit contains references. (EH)

Why should students have this book? First, this practice guide was written by three AP World History teachers with over 20 years of experience grading the AP World History Exam—they have seen it all and are sharing their expertise. Secondly, this guide can be used at any point in the school year.

Writing prompts cover every era taught in the course and are arranged in an easy-to-follow, chronological order. The writing practice section contains five DBQs, twelve LEQs, and forty-eight SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first two time periods (1200 to 1750) and is designed to be taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire span of the course (1200 to 2001). All multiple-choice questions and writing prompts are tied to the course curriculum and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.

[5 Steps to a 5: AP World History: Modern 2021](#) Barrons Educational Series

The avocado is arguably the most iconic food of the twenty-first century. In less than one-hundred years, it has gone from a little-known regional delicacy to global embrace and social media fame. This may seem like an astounding trajectory for a fruit that isn't sweet, that gets bitter when it is cooked, and has perhaps the oddest texture of any fruit or vegetable. But it is precisely the avocado's contradictions that have contributed to its ascent: the idea that this rich and delicious fruit is also healthy despite being fatty and energy-dense grants it unicorn status with modern eaters, especially millennials. Through lively anecdotes, colorful pictures, and delicious recipes, Jeff Miller explores the meteoric rise of the avocado, from its coevolution with the megaherbivores of the Pleistocene to its acceptance by the Spanish conquistadors in Mexico, to its current dominance of food consumers' imaginations.
