Exam--they have seen it all and are sharing their expertise. Secondly, this guide can be used at any point in the school year. Writing prompts cover every era taught in the course and are arranged in an easy-to-follow, chronological order. The writing practice section contains five DBQs, twelve LEQs, and forty-eight SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first two time periods (1200 to 1750) and is designed to be

taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire span of the course (1200 to 2001). All multiple-choice questions and writing prompts are tied to the course curriculum and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.

Cyrus Schayegh's socio-spatial history traces how a Eurocentric world economy and European imperialism molded the Middle East from the mid-nineteenth to mid-twentieth century. Building on this case, he shows that the making of the modern world is best seen as the reciprocal transformation of cities, regions, states, and global networks.

Review + Strategies & Techniques  
The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam--or to cram in a course's worth of topic review in a short time--our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-know content review, not strategy or practice. With key topic lessons

and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners. *A Skills Guide for Teachers (and Students)* Heinemann  
A resource book for teachers of world history at all levels. The text contains individual sections on art, gender, religion, philosophy, literature, trade and technology. Lesson plans, reading and multi-media recommendations and suggestions for classroom activities are also provided.
