This volume is designed to accompany any Modern World History syllabus. It covers the main topics that students need to study in 20th-century world history and prepares them for their exams. Twenty summary chapters set out what students need to know, and after each summary chapter there is a page showing what each exam board might ask at AS Level - and how to answer it. An introductory section tells students about the AS Level and what examiners will be looking for.

Why should students have this book? First, this practice guide was written by three AP World History teachers with over 20 years of experience grading the AP World History Exam—they have seen it all and are sharing their expertise. Secondly, this guide can be used at any point in the school year. Writing prompts cover every era taught in the course and are arranged in an easy-to-follow, chronological order. The writing practice section contains five DBQs, twelve LEQs, and forty-eight SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first two time periods (1200 to 1750) and is designed to be taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire span of the course (1200 to 2001). All multiple-choice questions and writing prompts are tied to the course curriculum and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.

Annual Catalogue Research & Education Assoc. The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam—or to cram in a course's worth of topic review in a short time—our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-

know content review, not strategy or practice. With key topic lessons and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners.

Cyrus Schayegh 's socio-spatial history traces how a Eurocentric world economy and European imperialism molded the Middle East from the mid-nineteenth to mid-twentieth century. Building on this case, he shows that the making of the modern world is best seen as the reciprocal transformation of cities, regions, states, and global networks.

The avocado is arguably the most iconic food of the twenty-first century. In less than one-hundred years, it has gone from a little-known regional delicacy to global embrace and social media fame. This may seem like an astounding trajectory for a fruit that isn't sweet, that gets bitter when it is cooked, and has perhaps the oddest texture of any fruit or vegetable. But it is precisely the avocado 's contradictions that have contributed to its ascent: the idea that this rich and delicious fruit is also healthy despite being fatty and energy-dense grants it unicorn status with modern eaters, especially millennials.

Through lively anecdotes, colorful pictures, and delicious recipes, Jeff Miller explores the meteoric rise of the avocado, from its coevolution with the megaherbivores of the Pleistocene to its acceptance by the Spanish conquistadors in Mexico, to its current dominance of food consumers ' imaginations.
