The Peer Power Program is a peer training program designed for middle, high school, and higher education students, focusing on 8 core skills: Attending, Empathizing, Summarizing, Questioning, Genuineness, Assertiveness, Confrontation, and Problem Solving. Through a series of exercises, games, and self-awareness techniques, youth and adults involved in the program can gain the basic communication and mediation skills necessary to effectively help their peers. The professional strategies book provides the program leader/facilitator with clear and easy to follow guidelines for implementing the Peer Power Program. After an overview of the peer program philosophy, training structure, and goals, the leader's guide proceeds through the thirteen Modules that are found in the student Workbook. For each exercise in the student Workbook, this leader's guide provides instructions for introducing and implementing the exercise,

time and material requirements, description of its purpose and goal, and application assignments. Equipped with the professional strategies book, the program leader (teacher, school counselor, juvenile center officer, mental health professional and human resource professional) can quickly and confidently work through the Peer Power curriculum.

Compassion Focused Therapy Participant Workbook is a companion book to Compassion Focused Group Therapy for University Counseling Centers, a one-of-a-kind 12-session manual for conducting compassion focused group therapy on

college campuses. Compassion-based interventions have been shown to decrease symptoms of depression, anxiety, and psychological distress in students. This book's 12 sessions incorporate several aspects of compassionate living including defining and understanding compassion, mindfulness, shame, assertiveness, and forgiveness to help participants act in more compassionate ways with themselves and others, lower feelings of shame and self-criticism, and engage in self-reassuring behaviors. The workbook provides clients with summaries of each session, handouts, and key exercises and, along with the manual, can be followed session-by-session or adapted according to the needs of the group. This workbook is designed to be used by clinicians and participants in a clinician-led group utilizing Compassion Focused Group Therapy for University Counseling Centers. *El-Hi Textbooks in Print, 1982* CIA Training Ltd.
